Stepping Stones '66

ZEELAND HIGH SCHOOL
ZEELAND, MICHIGAN

VOLUME THIRTY-FOUR

True education makes for inequality;
the inequality of individuality,
the inequality of success;
the glorious inequality of talent, of genius;
for inequality, not mediocrity,
individual superiority, not standardization
is the measure of the progress of the world.

Felix E. Schelling
"Pedogogically Speaking" 1929

No one is equal when measured by talents, but much more important is how successful one is in applying his talents. Success has perhaps as many definitions as any word in our language. For many people, it has come to mean a happy, routine life in the "niche" in the world. It has become mediocrity.

For others, success means developing and using one's abilities as best he can in his own profession.

For still others, success means developing one's talents, realizing the responsibility he has to exercise them to their fullest extent in every opportunity he finds, and then striving to excel in each effort.

The persons who choose to apply their talents according to the last definition are those who achieve individual superiority—the persons who pace the progress of the world.

On the division pages of this book are five representative graduates of ZHS whose accomplishments have been realized in a broad range of professions. These are the persons who have patterned their lives after the third definition—persons who have chosen to excel.

Middle School Opens in '66

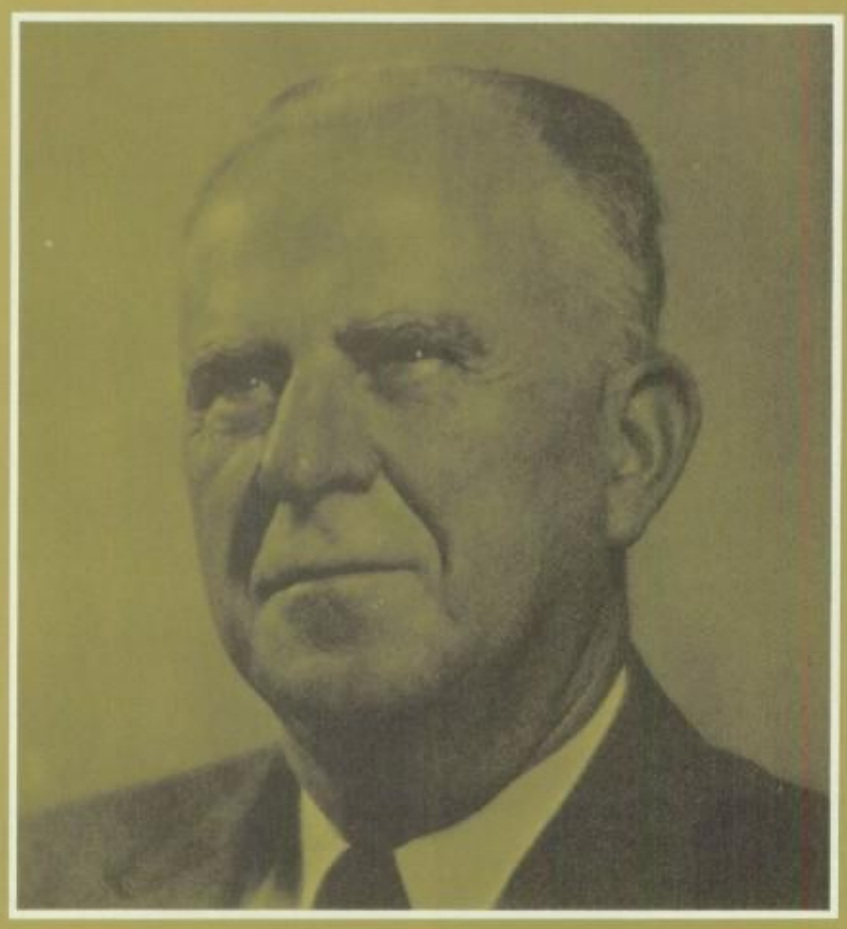
The new Middle School, initiating its first classes in the fall of 1966, is intended to provide an advanced system of education for students in grades six through eight. In the absence of the junior high, a greater classroom area will be available to high school students.

Much of Superintendent Schipper's time has been devoted to work on the new Middle School. Other duties include correlating the activities of the public school system and attending to business matters concerning the annexation of outlying areas.

The school board members, elected by the city, discuss and vote on important issues in the Zeeland Public Schools.

Seated: Dr. Russ Munro, vice-president; Mr. Laverne Lampen, senior high principal; Mr. Richard Machiele, president; Mr. Julius Schipper, superintendent; Mr. Elmer Hartgerink, secretary.

Standing: Mr. Marvin De Witt; Mr. Melvin Baron; Mr. Cornelius Hozee, elementary school principal; Mr. Hugh De Pree; Dr. Alfred Vande Waa, treasurer.



Dr. Chris DeYoung

Graduated From Zeeland High School 1916

Dr. Chris A. DeYoung has contributed much to the world in the area of education; and for his efforts he has received several honors and awards.

In 1920 Dr. DeYoung graduated summa cum laude from Hope College. Immediately he left for India where he was a missionary for several years. After returning home, he became superintendent of schools in Zeeland and in Hudsonville. He was also on the staff of Northwestern University, Evanston, Illinois, and later, for the next 25 years, he was head of the Department of Education and psychology and was Dean Emeritus of the graduate and undergraduate schools of the University of Illinois. He received his masters degree from Columbia University and his doctorate from Northwestern University.

Dr. DeYoung served as head of the American party, which established a new college in Cambodia. He was co-ordinator and first employee of the new Grand Valley State College and has also assisted Grand Rapids Junior College. He was at one time or another principal of Hope High School in India, a Fulbright lecturer at the University of Delhi, India, director of a survey on education in Pakistan, consultant for the U. S. Army and the State Department in West Germany, a delegate to the World Confederation of Organizations of the Teaching Profession in Oxford, England, a lecturer at the East-West Center of the University of Hawaii, was on the staff which helped to orient Peace Corps volunteers for Malaysia, and was educational consultant at Butterworth Hospital in Grand Rapids.

Dr. DeYoung received a gold medal and was knighted by the Cambodian government for his contributions there. He was awarded the Freedom Foundation's Award of Valley Forge for retired teachers and a distinguished service award from Grand Rapids Junior College. He was made an honorary Doctor of Law at Lincoln College and a Doctor of Letters at Hope College.

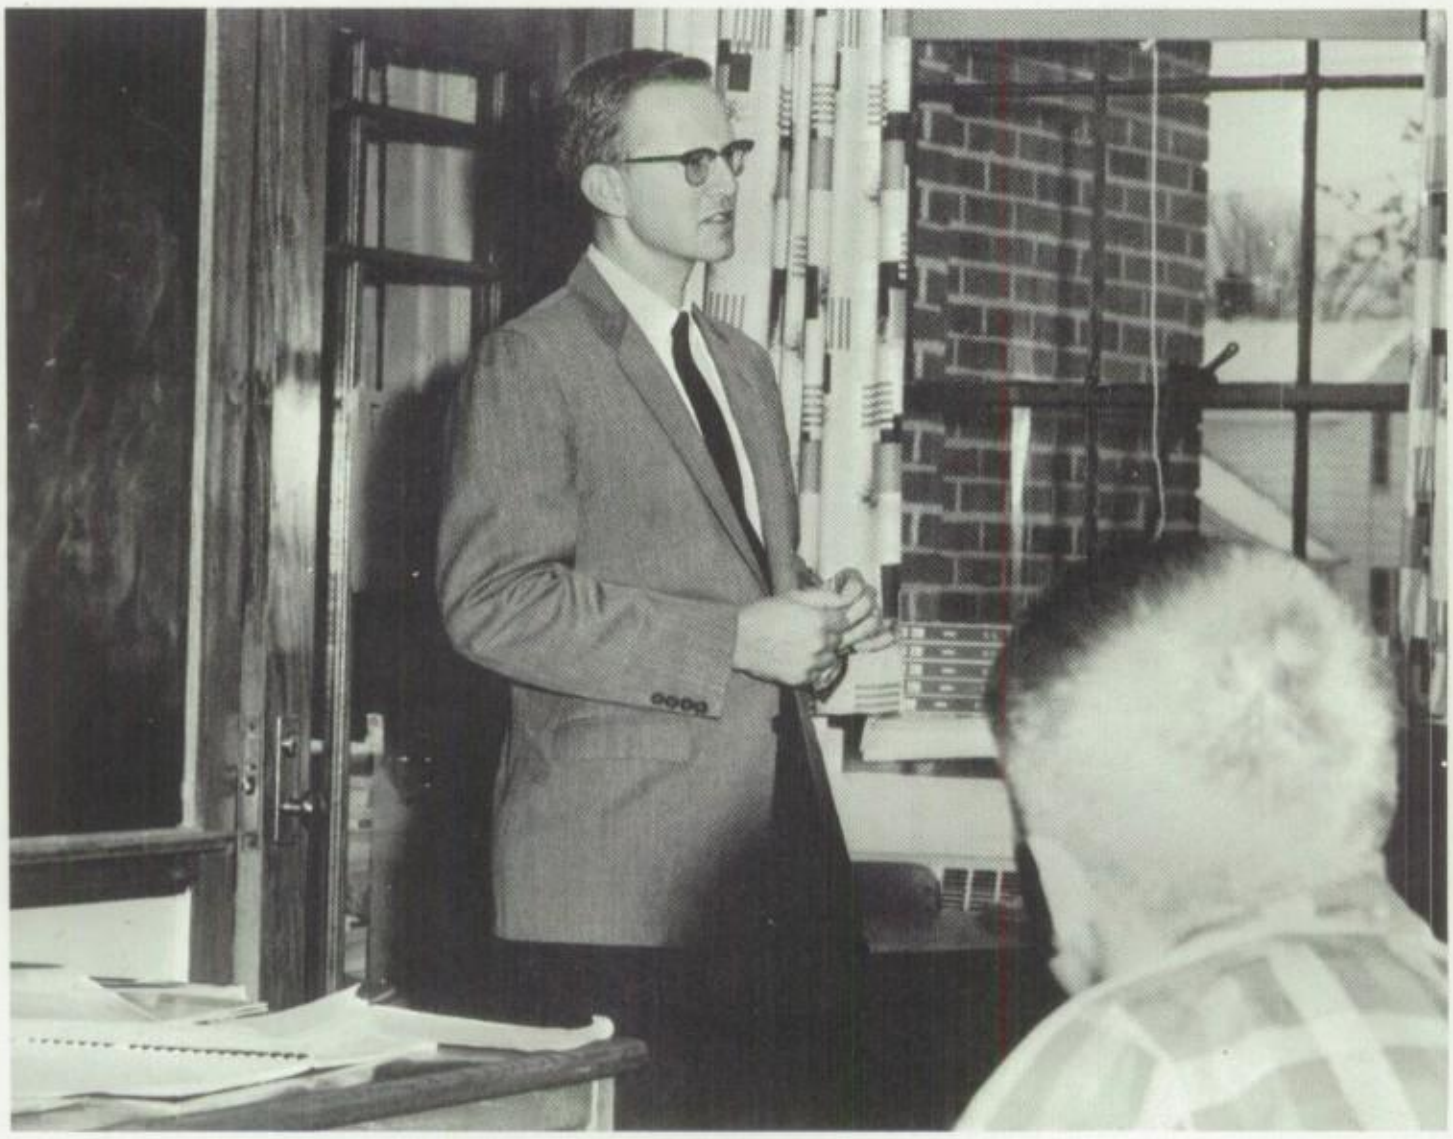
Besides having over 100 articles published, Dr. DeYoung is the author of a book on American education.

CURRICULUM

MRS. VIVIAN COOK English literature, grammar, and great novels. English department chairman.

Reading machines allow students to improve their reading speed and comprehension ability.

MR. EDWARD VAN HARTESVELT grammar, reading and comprehension, and American literature.

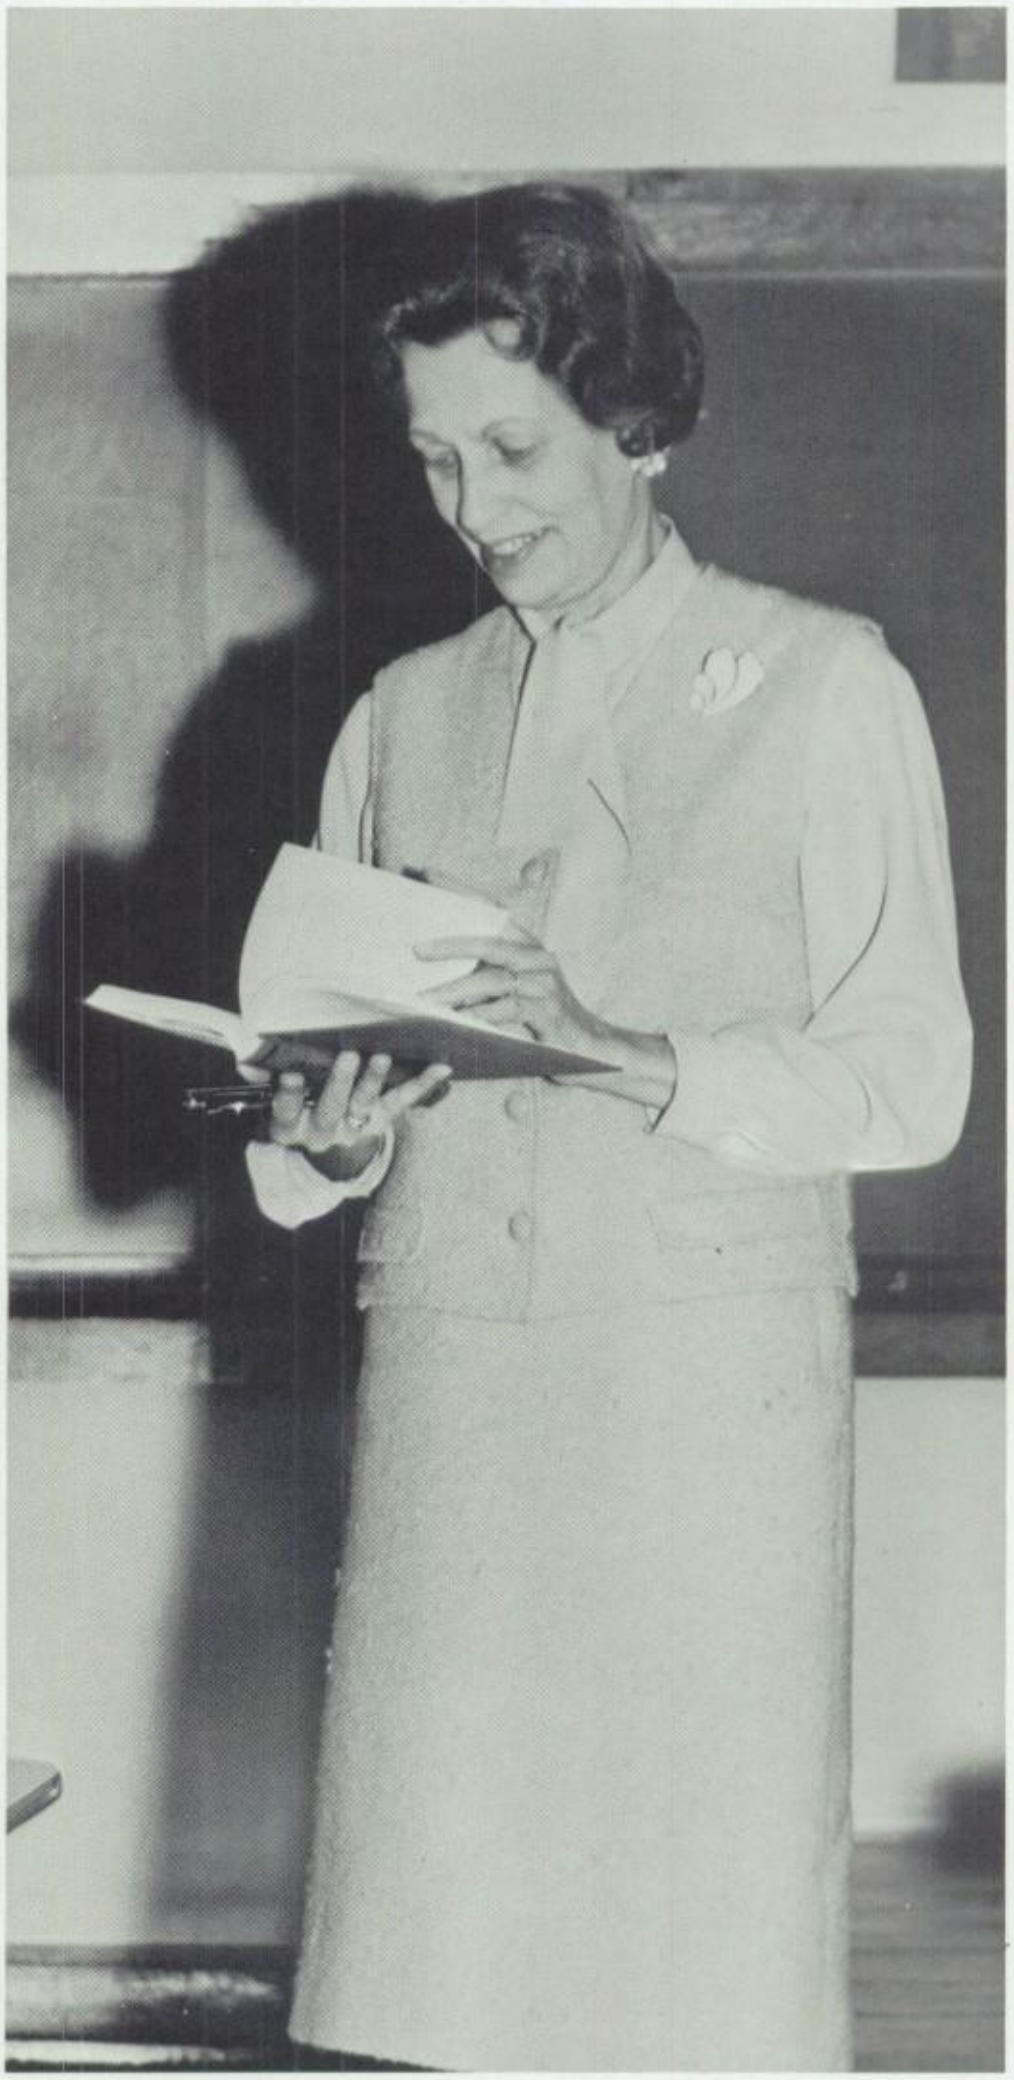


English Department Revamped

This year the entire English Department was revised. Several new courses were introduced into the curriculum making the choice of electives much greater.

Courses required for graduation include English grammar, American literature, and reading and comprehension. To accumulate the eight credit requisite for English, students could choose from introduction to literature, journalism, composition, great novels, basic speech and public speaking, drama, and debate.

Two special events were also available to many English students. On October 1, 1965, a number of our students attended the Shakespearean Festival at Stratford, Ontario. *Julius Caesar* was performed. The movie *Macbeth*, was also shown to the sophomores and seniors.

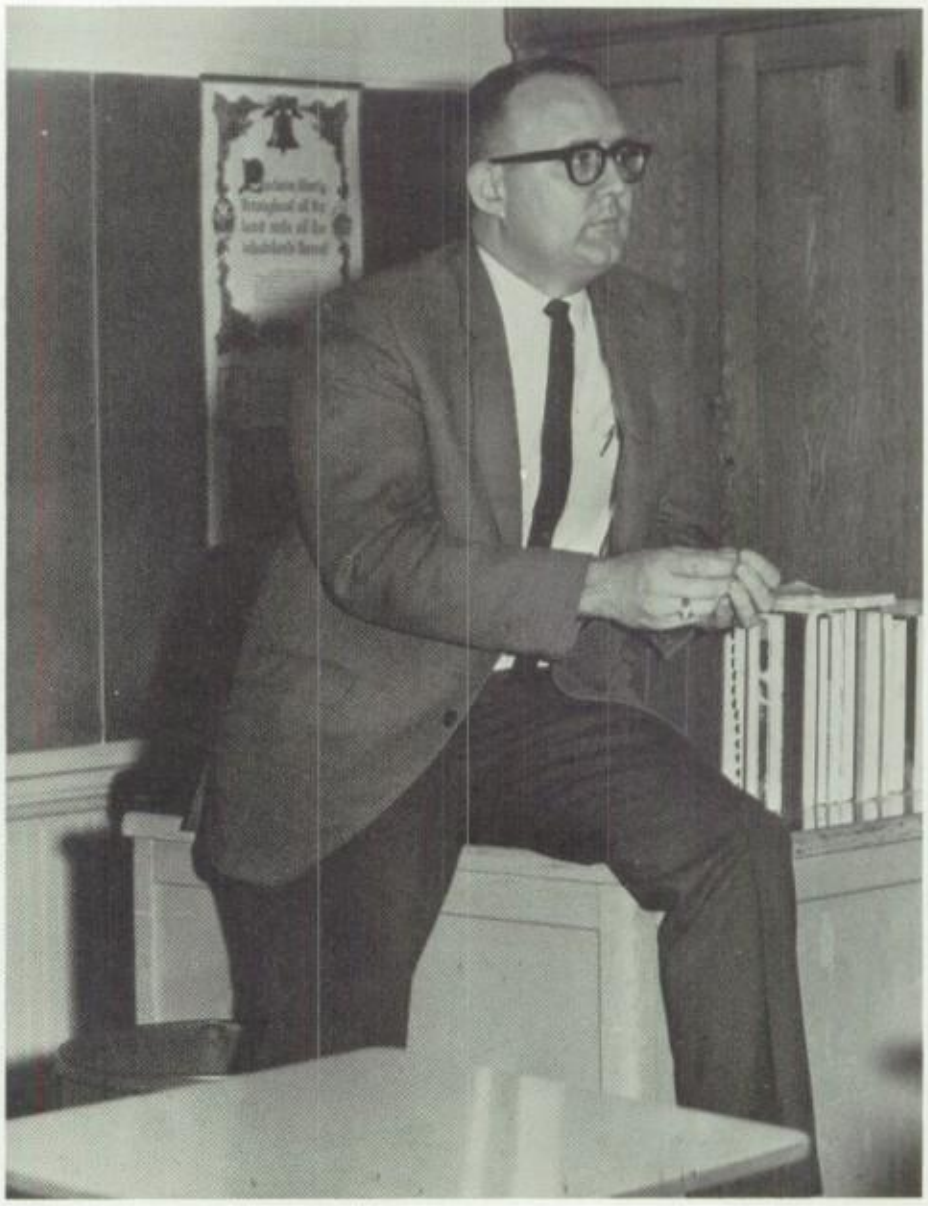


MRS. MARIE SAUNDERS grammar, basic speech, introduction to literature, reading and comprehension

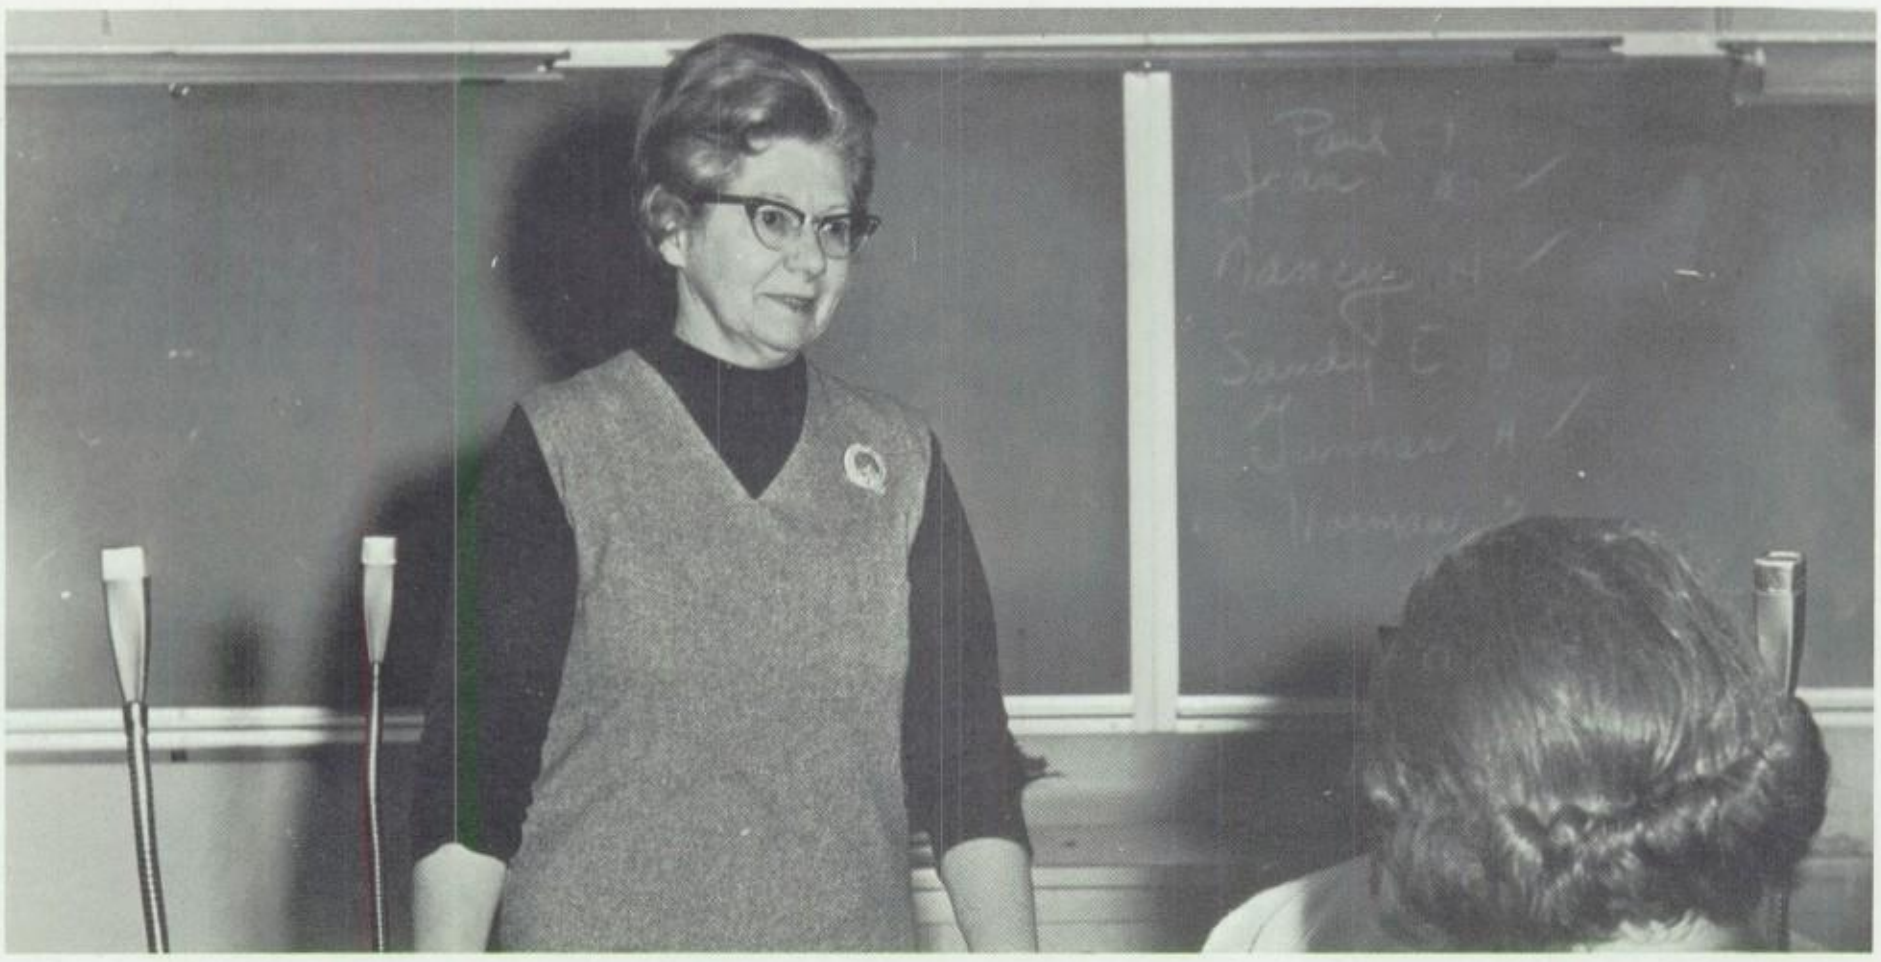
MRS. NANCY SCUDDER grammar, reading and comprehension, and introduction to literature

MR. JAMES KORF drama, Bible, debate and public speaking

Ed Smallegan presents his view on a current topic in public speaking. This was the first year public speaking was offered as a class.



MR. MERWYN SCHOLTEN composition, journalism, and introduction to literature



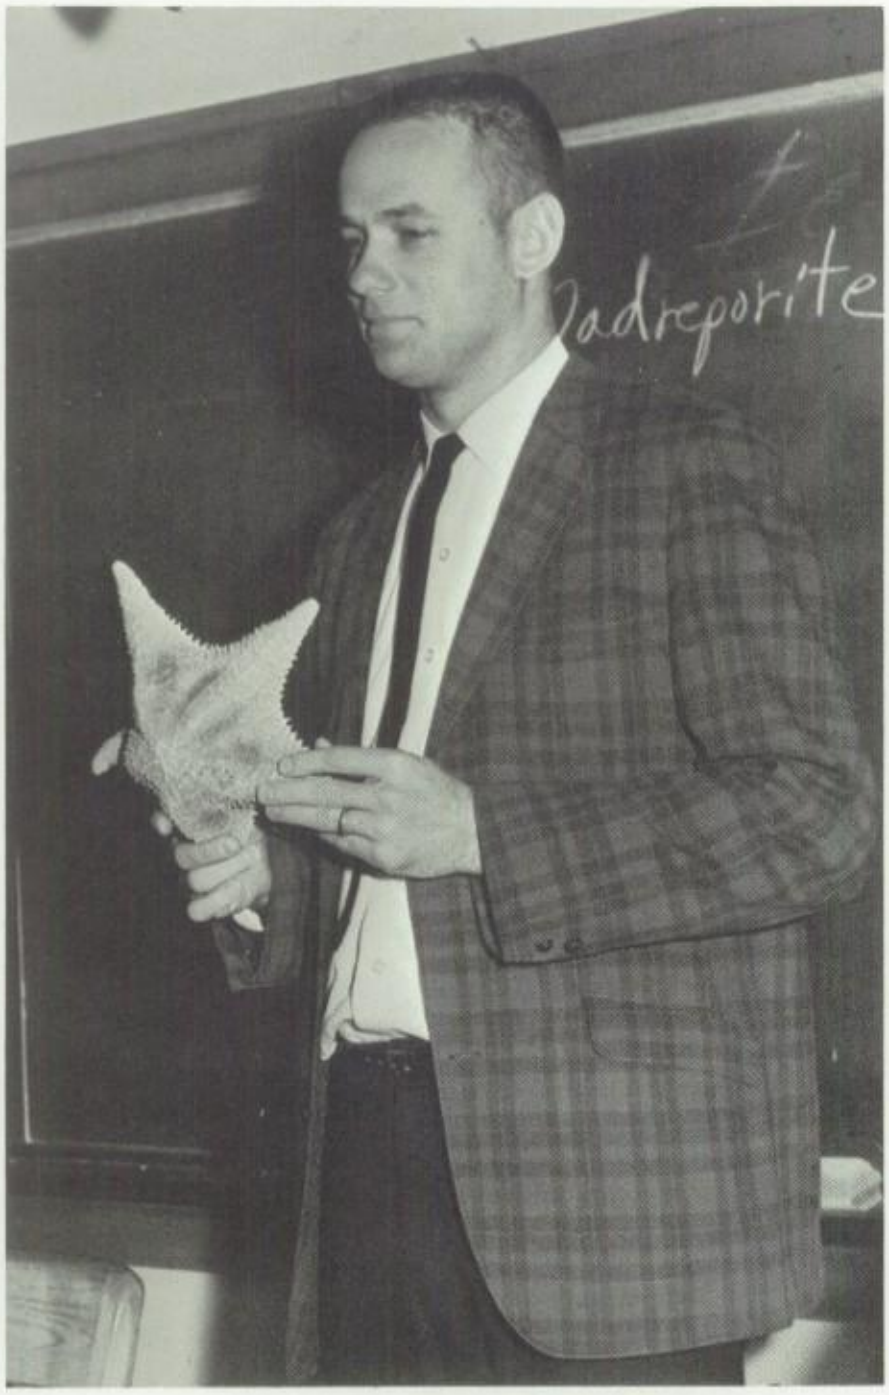
MISS CECELIA VER HAGE French

Parlez-Vous Latinam?

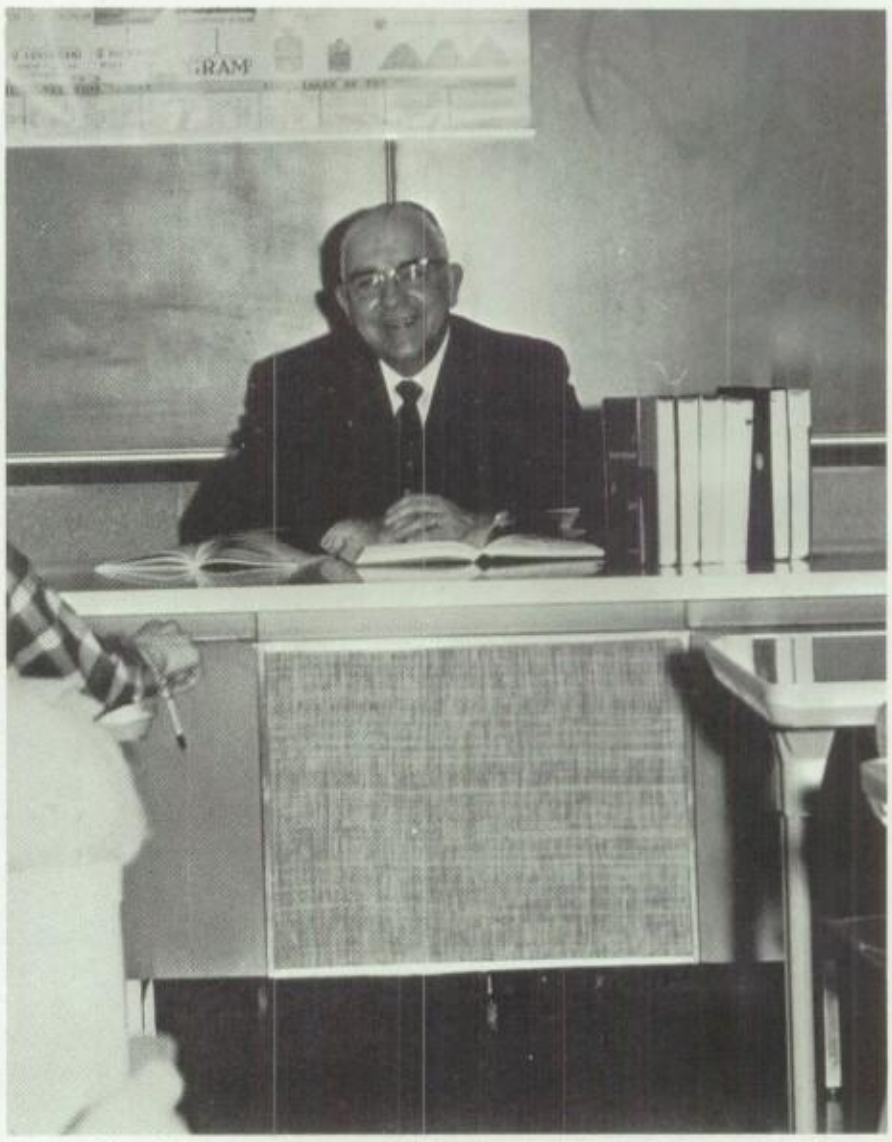
Omnes discipuli Latini scholea nostrae sunt divisi in partes tres; they are the first, second, and third year classes. First year students learn basic Latin vocabulary and grammar. Those in second year translate classical mythology and study the *War Commentaries of Caesar.* This year, for the first time, ZHS has a third year Latin class which studies *The Odyssey, The Iliad, The Aeneid,* and the writings of Cicero and Virgil. Second and third year Latin students belong to the Latin Club which is sponsored by Mrs. Mans. Besides the regular meetings, Latin Club activities include attending the State Convention and the annual Latin Banquet.

French I students, aided by the use of the language laboratory, learn the basic fundamentals and correct pronunciation of the French language, while French II students increase their appreciation and understanding of the French language. They translate French short stories and act out skits. This year the purchase of the *"Ca Va"*, a monthly French newspaper, has created new interest among students.

MRS. JO MANS Latin



MR. NORMAN SCHUT biology



MR. RICHARD HOODEMA physics, general science, and advanced biology. Science department chairman

MR. TIFT chemistry and physical science

Cape Kennedy to the World of Microbiology

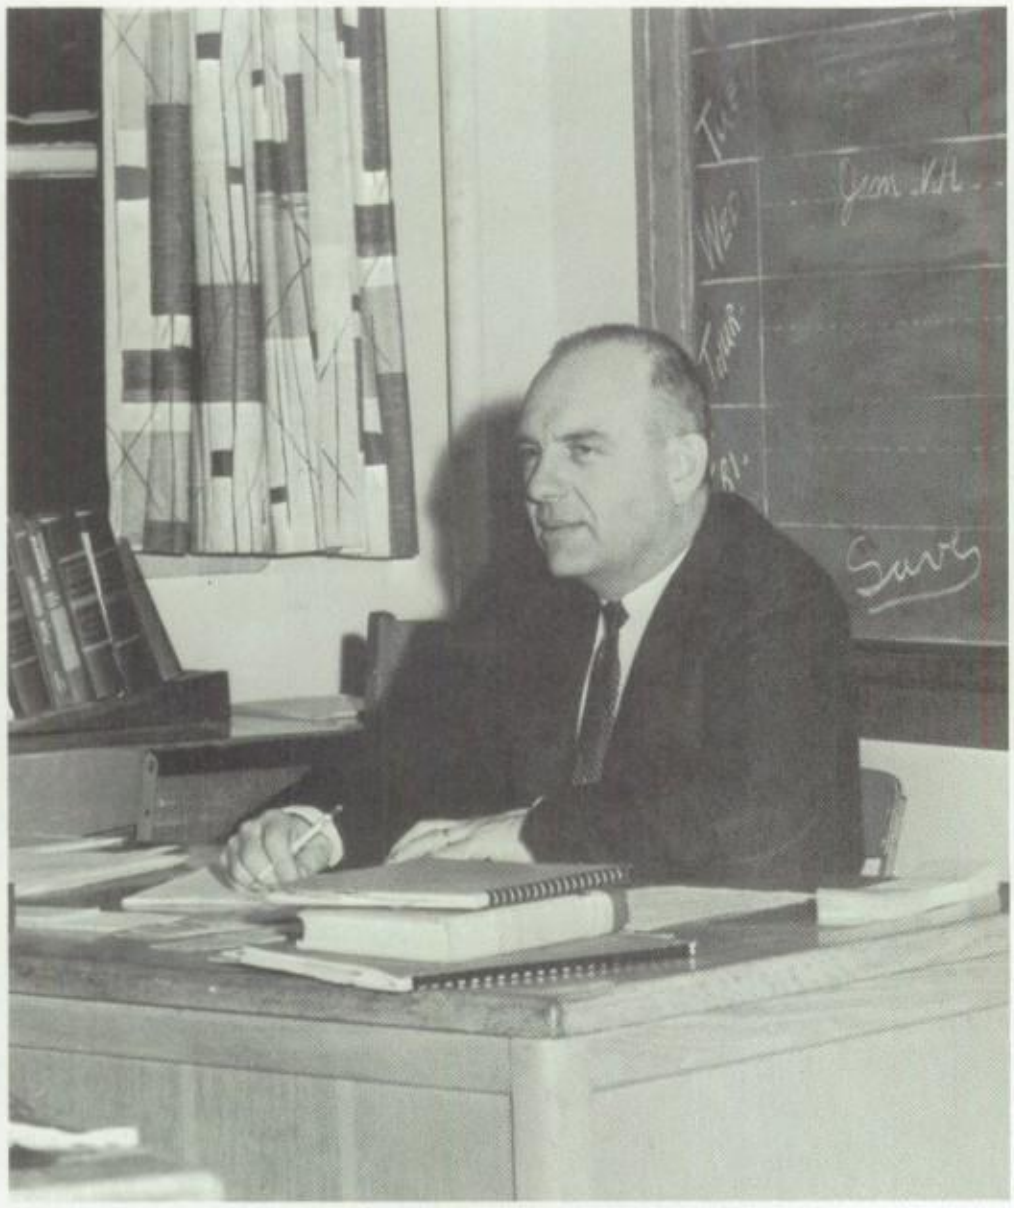
The world of science is introduced to ZHS students through the instruction of Mr. De Klein, Mr. Hoodema, Mr. Schut, and Mr. Tift. A wide range of subjects appeals to students with varied abilities and interests.

The science department, headed by Mr. Richard Hoodema, working with the available facilities, endeavors to present an up-to-date and applicable program of biology, advanced biology, chemistry, agriculture, physical science, and physics. These courses once again prove Murphy's Law—"If anything can go wrong in an experiment, it will."

MR. HERBERT DE KLEINE agriculture

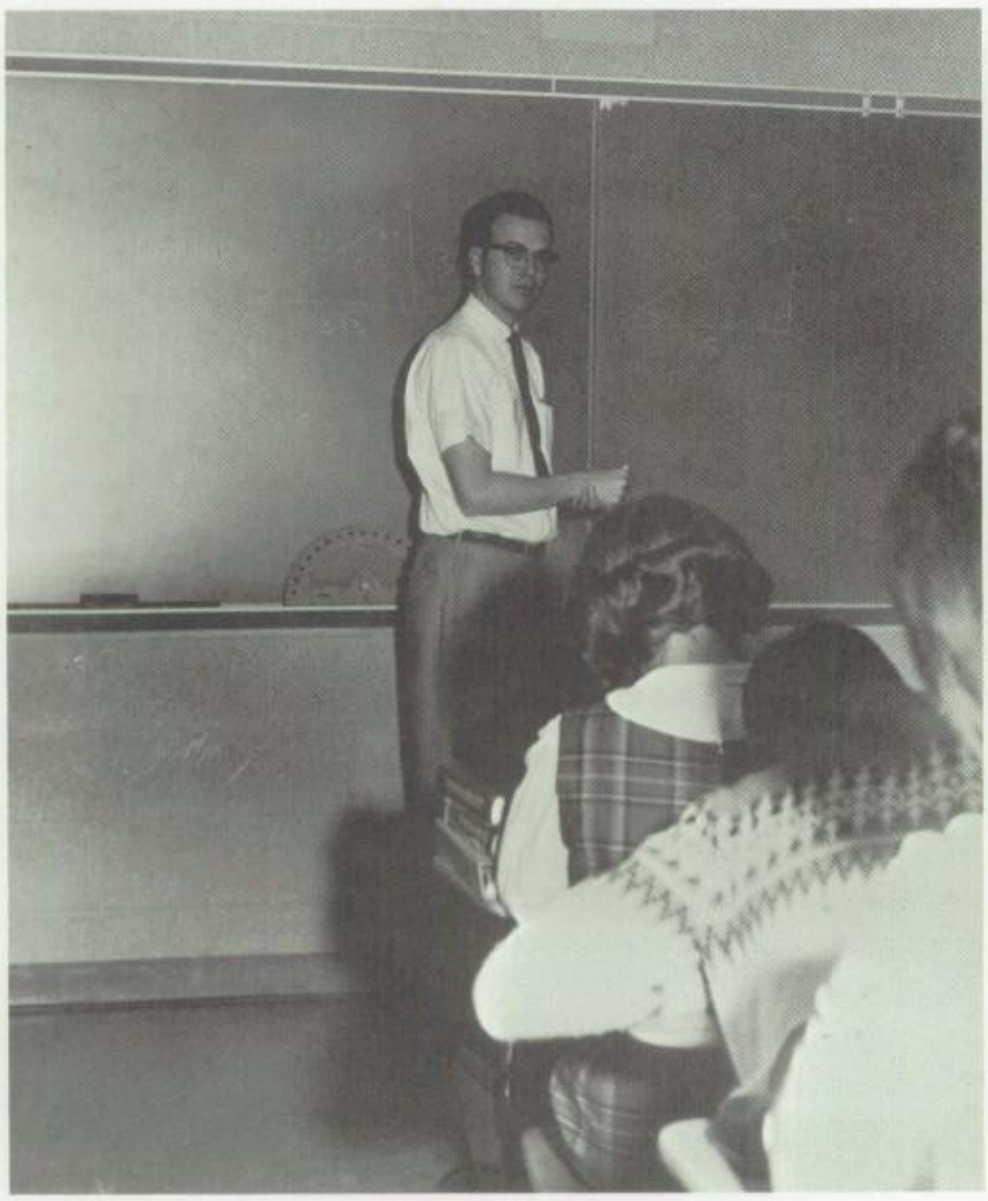
Facts, Figures, and Phenomena

Guiding our students through the complex world of the Pythagorean theorem, assumptions, and complicated equations are the members of the Zeeland High Mathematics Department. Varied courses which cover every phase of mathematics presents to freshmen the foundation and general principles of math. Giving insight into the baisc concepts of equations is algebra I, while algebra delves deeper into this area. A student of plane geometry learns how to prove theorems which deal with triagles, rectangles, and other polygons. The senior course of advanced mathematics includes solid geometry, the study of the area and volume of solid figures, and trigonometry, the study of logarithms, sines, and tangents.

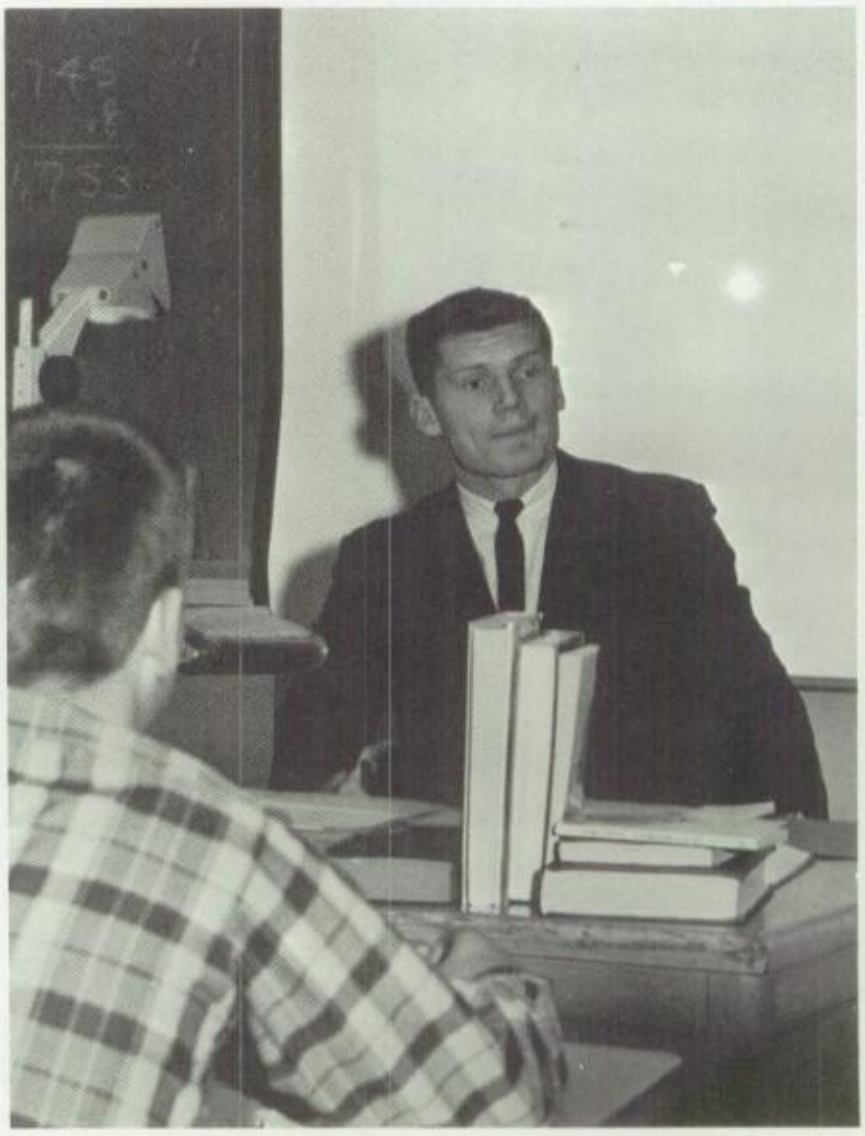


MR. JAMES GALER advanced algebra, advanced math, and plane geometry

MR. JOHN BLOM advanced algebra and general math



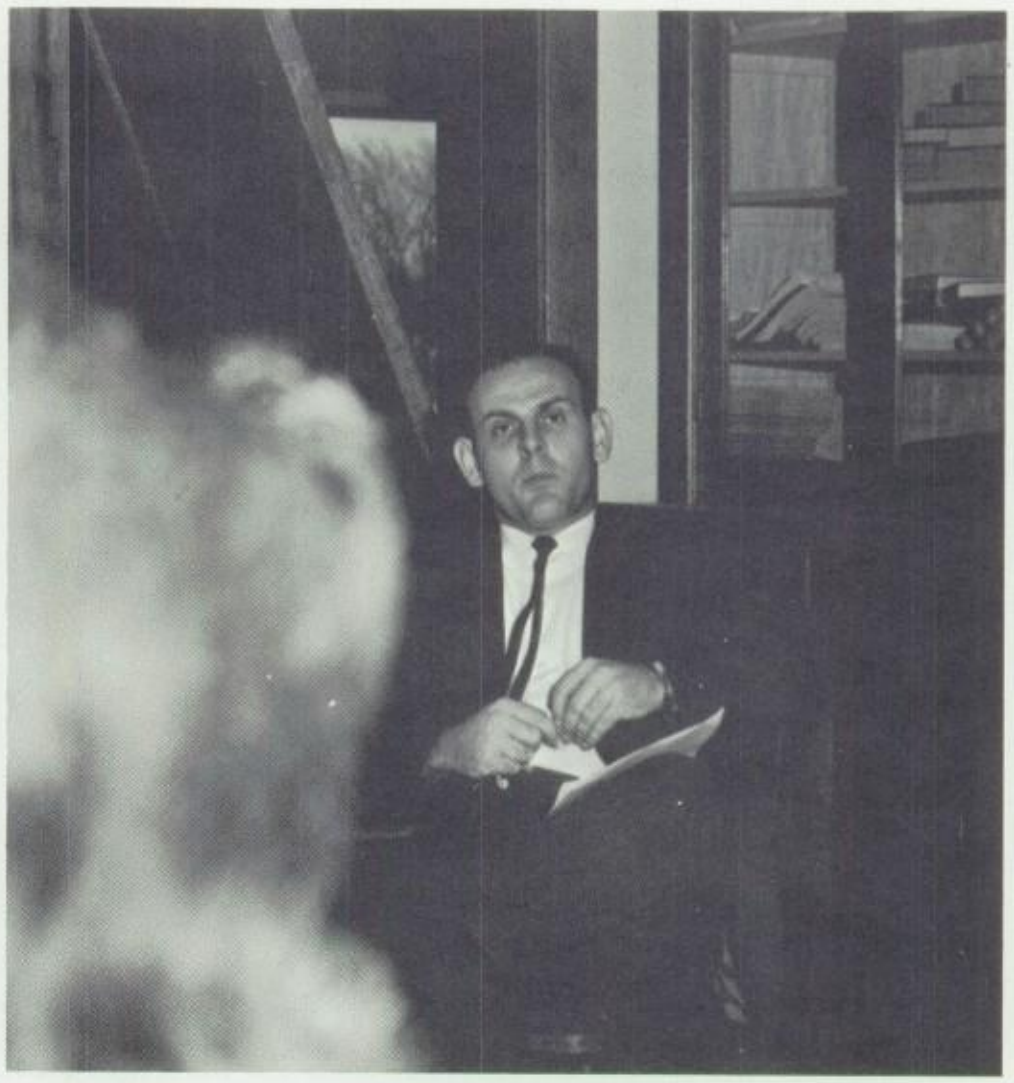
MR. RICHARD FLAHERTY algebra



Social Studies — Worlds of Yesterday, Today, and Tomorrow

The Social Studies Department is composed of subjects which familiarize the student with the world about him. World history and American history challenge students to evaluate the past as it applies to the present and future. World geography acquaints one with lands, peoples, and customs. Civics and American government help students to gain cognizance of our democratic principles.

Seniors may take an elective course in social problems, home and family living, hygiene, or economics. Social problems gives college bound students insight into mental health, the problems that teenagers face today, and facts about college life and future responsibilities; home and family living prepares students for the problems of marriage and family life; and hygiene is the instruction of basic health; economics involves the study of national and international commerce.



MR. JOHN RUMOHR American history and social problems

MR. RICHARD COOKE world history and civics and world geography

MR. MELVIN BOUMA American government

MR. DAVID GRAF typing and shorthand

MR. WILLIAM ROBERTSON civics, economics, and personal typing. Business department chairman

MISS VELMA LLOYD bookkeeping and business law

MRS. BEVERLY KILLMER office practice and stenography

Business Department Serves Students

The Business Education Department consisting of Miss Velma Lloyd, Mrs. Beverly Killmer, Mr. David Graf, and its chairman Mr. William Robertson, endeavors to prepare students through its courses in shorthand, typing, office practice, bookkeeping, and business law. Some immediately enter careers for which they have prepared themselves, while others continue their formal education at business schools. The department strives to give a lasting foundation that will help the student become competent in his field and a personal quest for superiority that will raise him higher in the complex world of business.

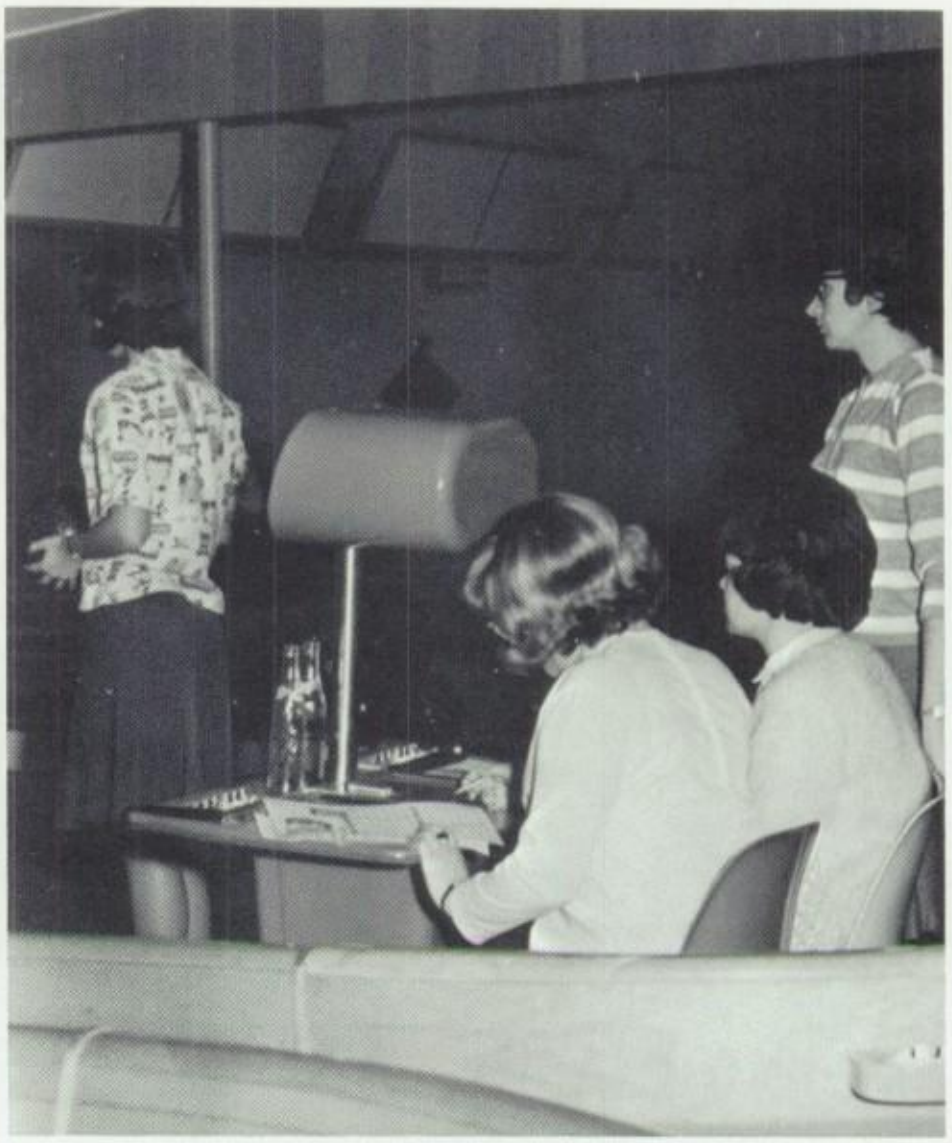
The business department serves the non-business student as well, with courses in personal typing and consumer economics. In the future it is hoped to broaden the scope of its program to include other courses which will help the college bound students in the area of personal skills.

New Trampoline in Phys. Ed.

A welcome relief from the mental exertions of Zeeland High students is the chance to exert physically. This opportunity is provided by our physical education department.

During the course of a year the gym classes, instructed by Mr. Robert Larsen and Miss Ruth Schrier, play volleyball, football, basketball, speedball, tennis, Chinese Soccer, semi-murder, and bombardment. The students also participate in bowling, gymnastics, archery, track, calisthenics, and other exercises. This year a trampoline donated by the Athletic Sisters was added to the physical education equipment and was popular with most students.

Two years of physical education are required for everyone. In this time an attempt is made at developing good sportsmanship qualities, teamwork, skill, and coordination in each person.



MISS RUTH SCHRIER physical education

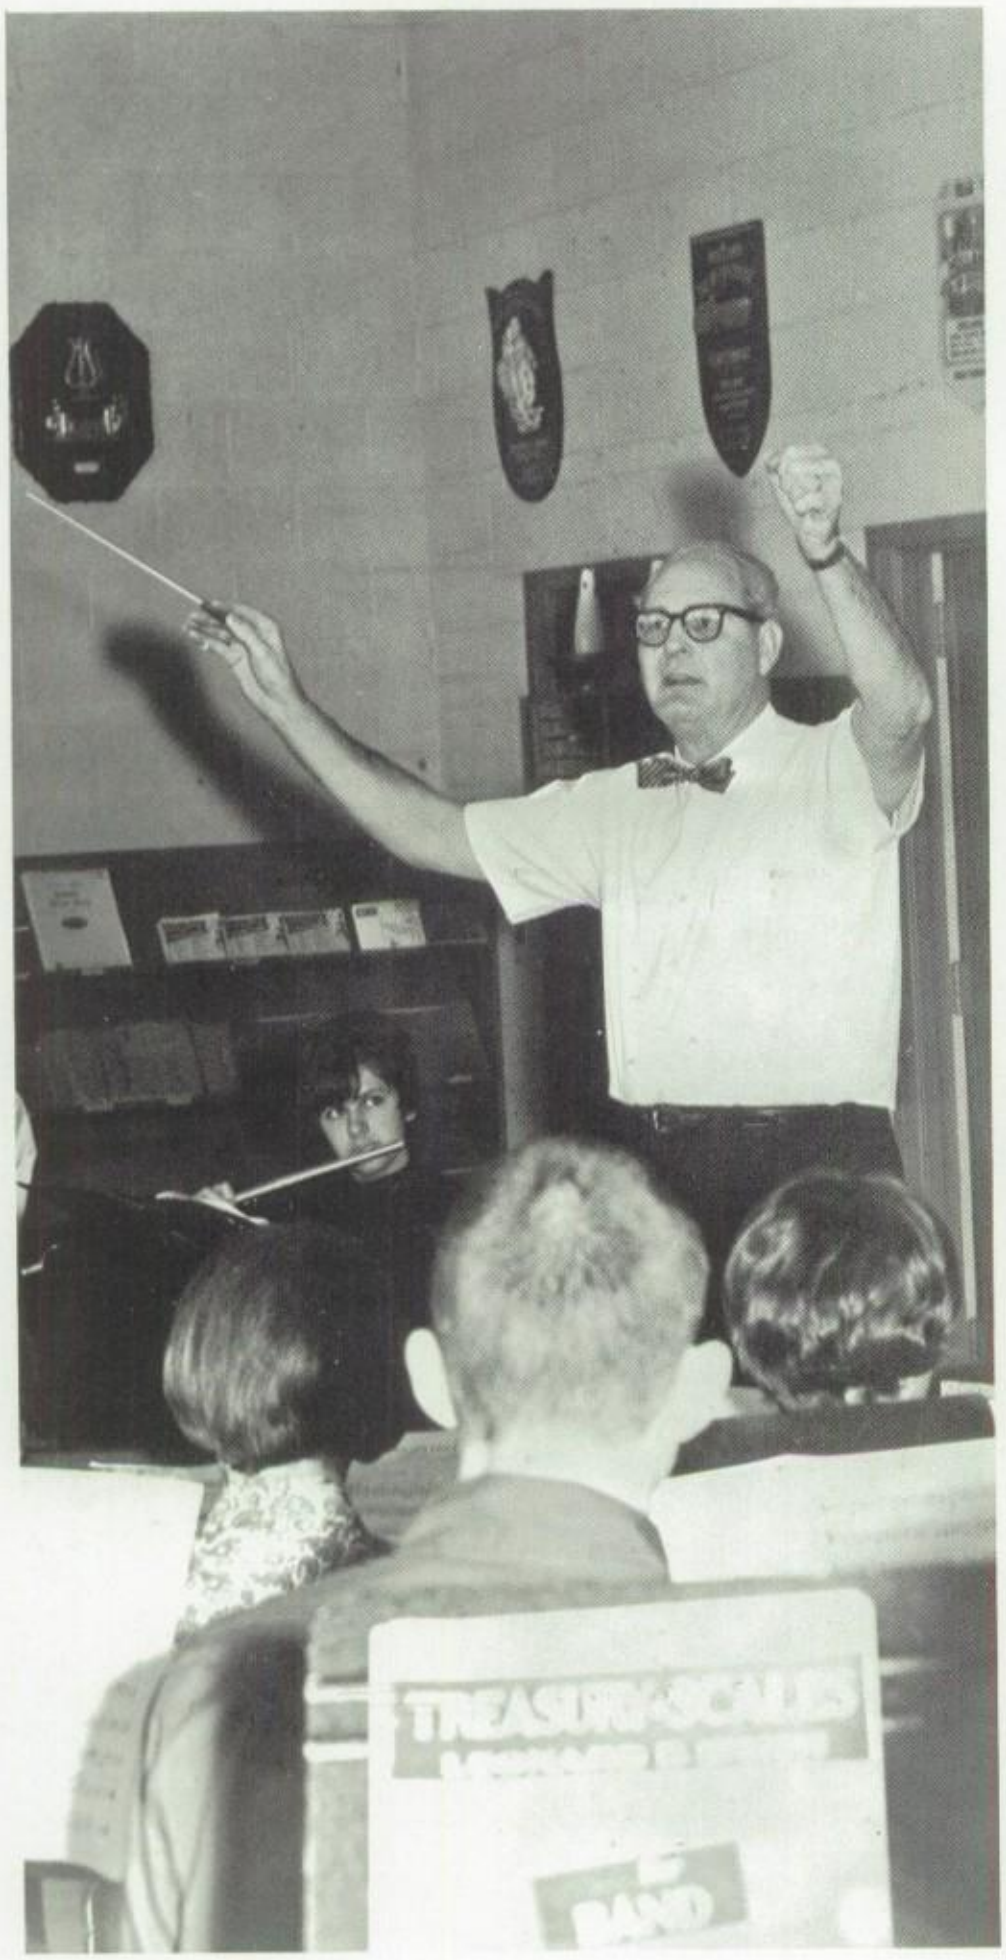
MR. ROBERT LARSEN hygiene, grammar, reading and comprehension, and physical education

Fine Arts

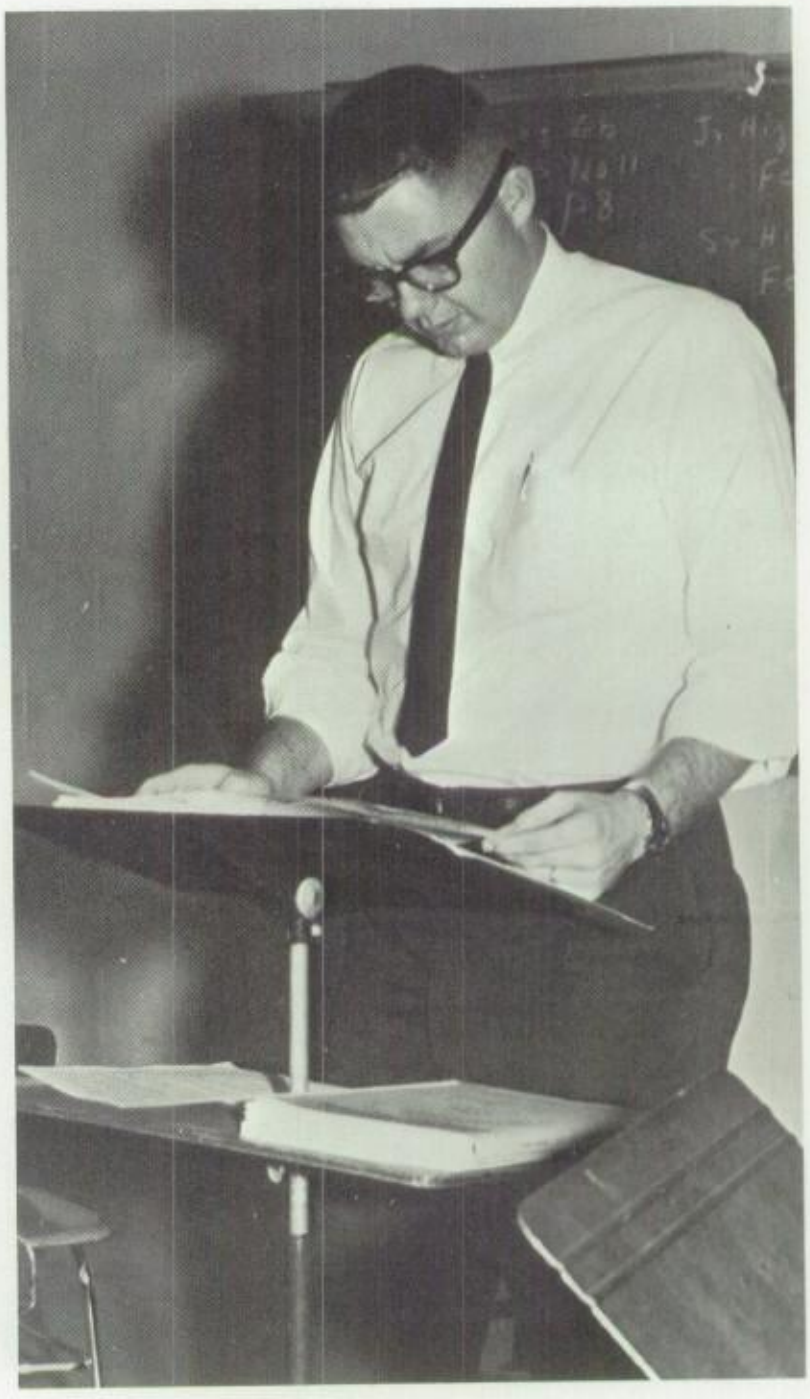
The music department of ZHS has spent long hours at work and practice. The choral season was highlighted by several weekly chapel performances and the Baccalaureate Service. As a break from their full autumn schedule the chorus traveled to Michigan State to see the Spartans play Indiana.

Zeeland High School's marching band participated in four home football games, the Hope College Homecoming Parade, the annual Tulip Time Festival, and the Memorial Day Parade. As in previous years, both the ZHS concert band and chorus performed at the Christmas and Spring Concerts.

MR. LEE BROUWER band



MR. DAN RITSEMA band and chorus



Channel Creativity

Impressions and imagination provide two avenues into the world of creativity. Each art student transposes his impressions and thoughts into shapes and colors.

In late spring the art department in co-ordination with the music department produced the first art and music festival. All first and second year art students were required to exhibit several projects which they had completed during the course of the school year.

This year the art department set a precedent that one or two of the outstanding contributions by ZHS art students will be permanently displayed in our school.

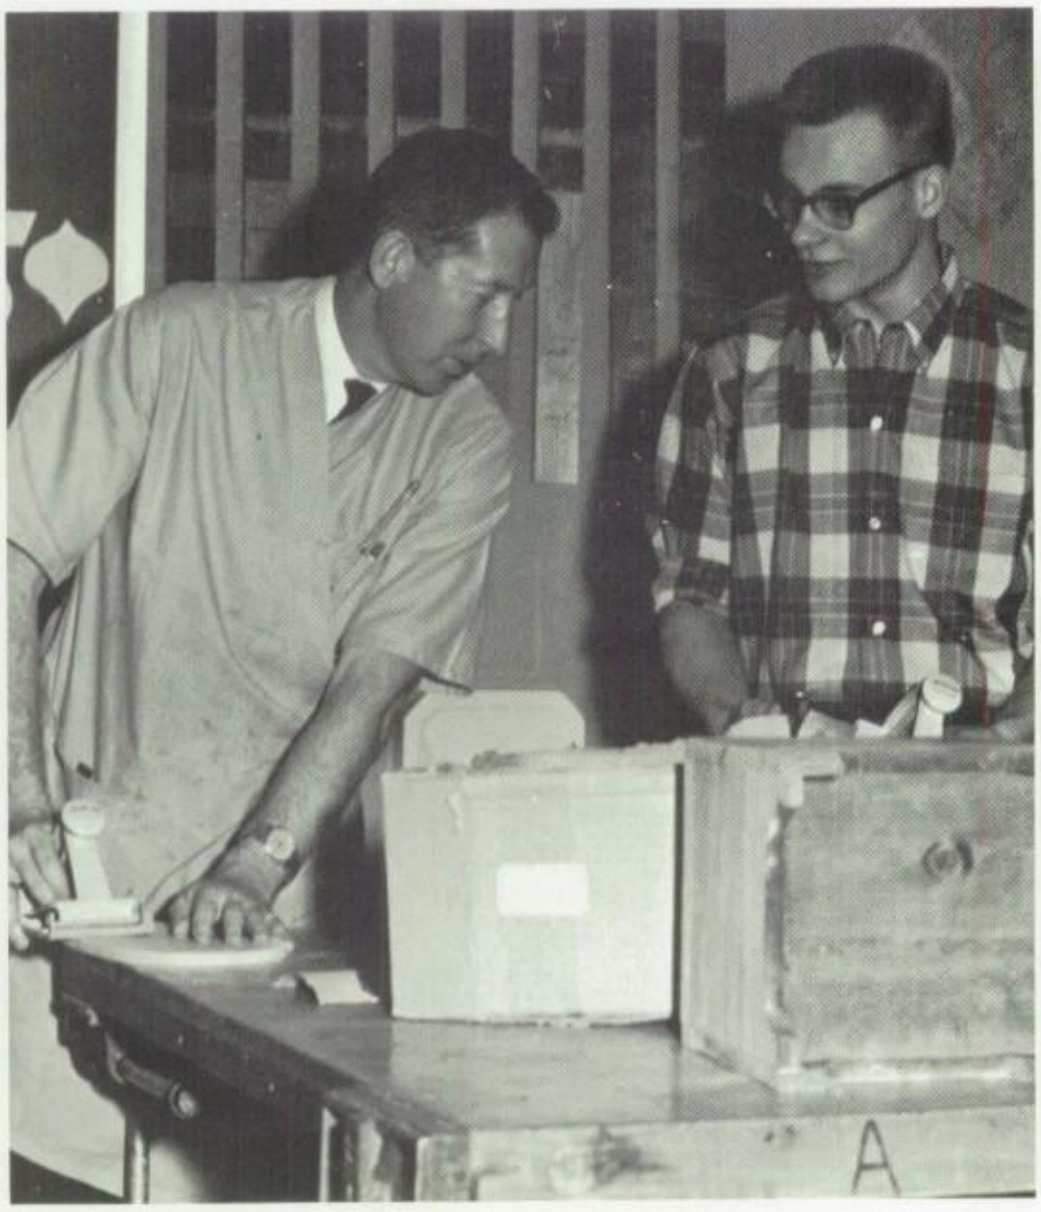
MISS JOAN STEINHOFF art

Industrial Arts Provide Practical Knowledge

MR. GORDON KERR drafting and metals

MR. ROBERT DREW wood and transportation shops. Practical arts department chairman

For boys with a practical outlook on life, Zeeland High offers many courses in shop. Mr. Drew, department chairman, and Mr. Kerr, general metals and beginning woods, electricity and crafts, concrete and carpentry, advanced woods, and transportation shop. This variety of courses helps to prepare boys for future industrial work and also enlarges their creative abilities.



Tom Sneller demonstrates the use of the new machines installed in the shop department.

MRS. OLGA SCHROTENBOER home economics and home and family living

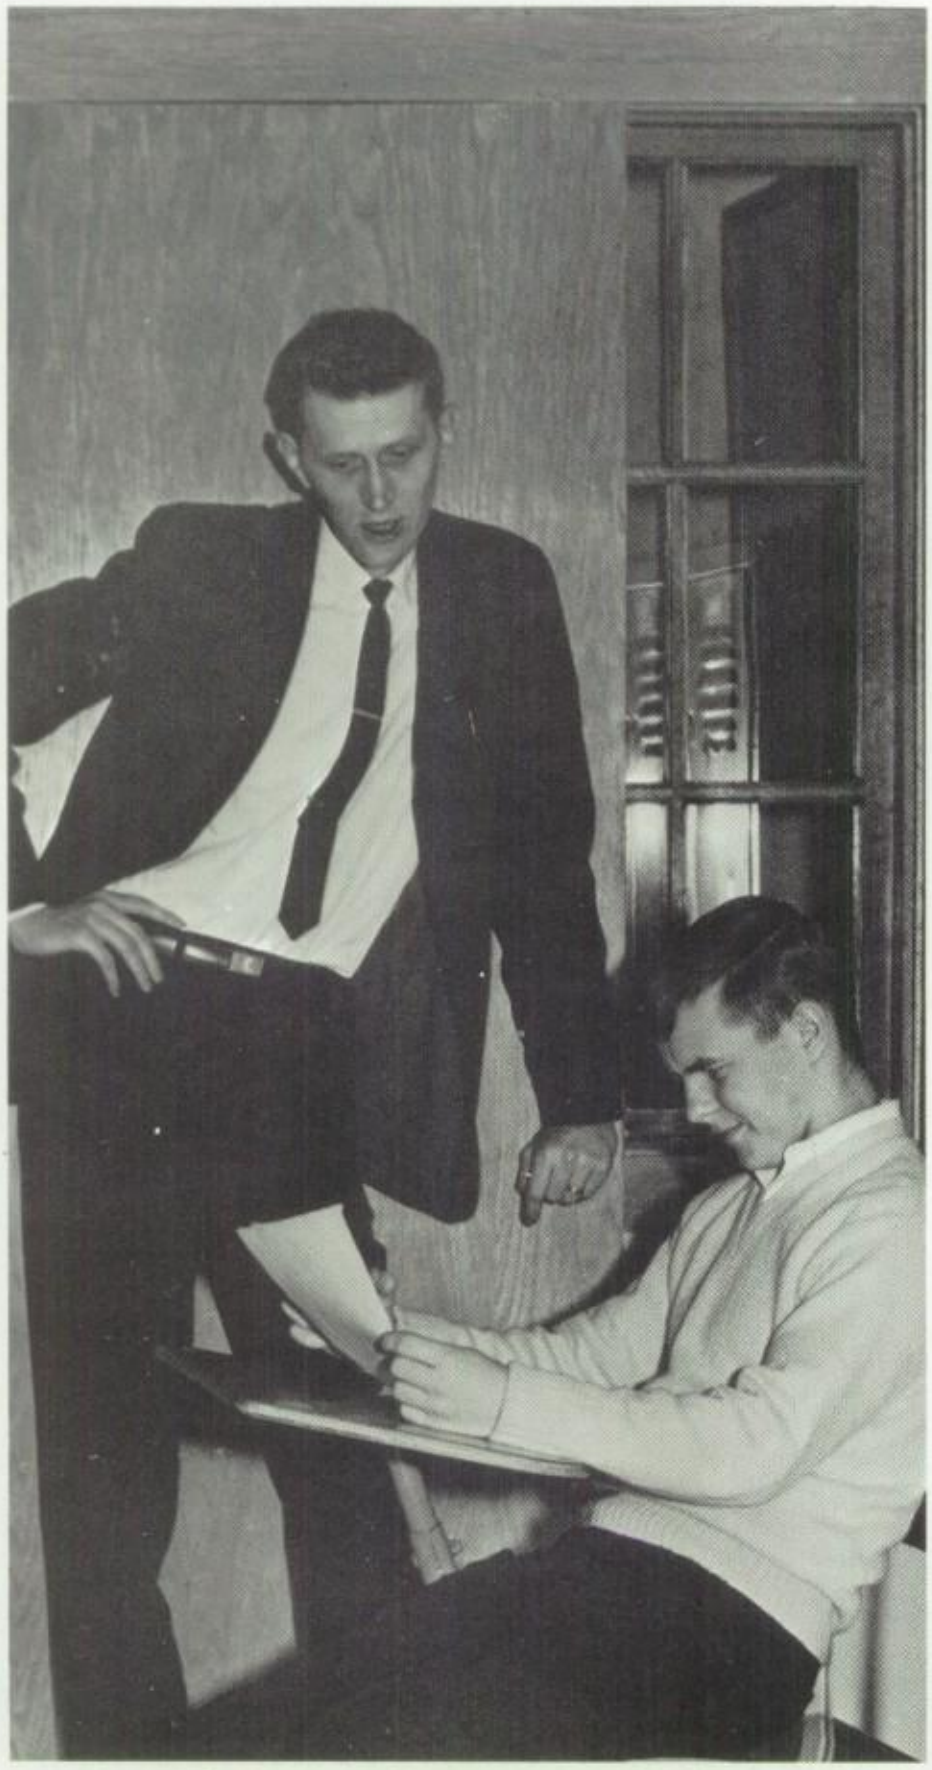
'I Smell Something Burning!'

MISS DIANE WILLIAMSON home economics

With the beneficial guidance of the home economics teachers, future homemakers learn the basic skills of sewing, cooking, and home management.

Department activities included a style show at which home economic students modeled the garments which they made.

Each year one third year student becomes the recipient of the Future Homemaker of the Year Award.



MR. ARTHUR LEE guidance and American history

MISS MARY HAGER guidance and Bible

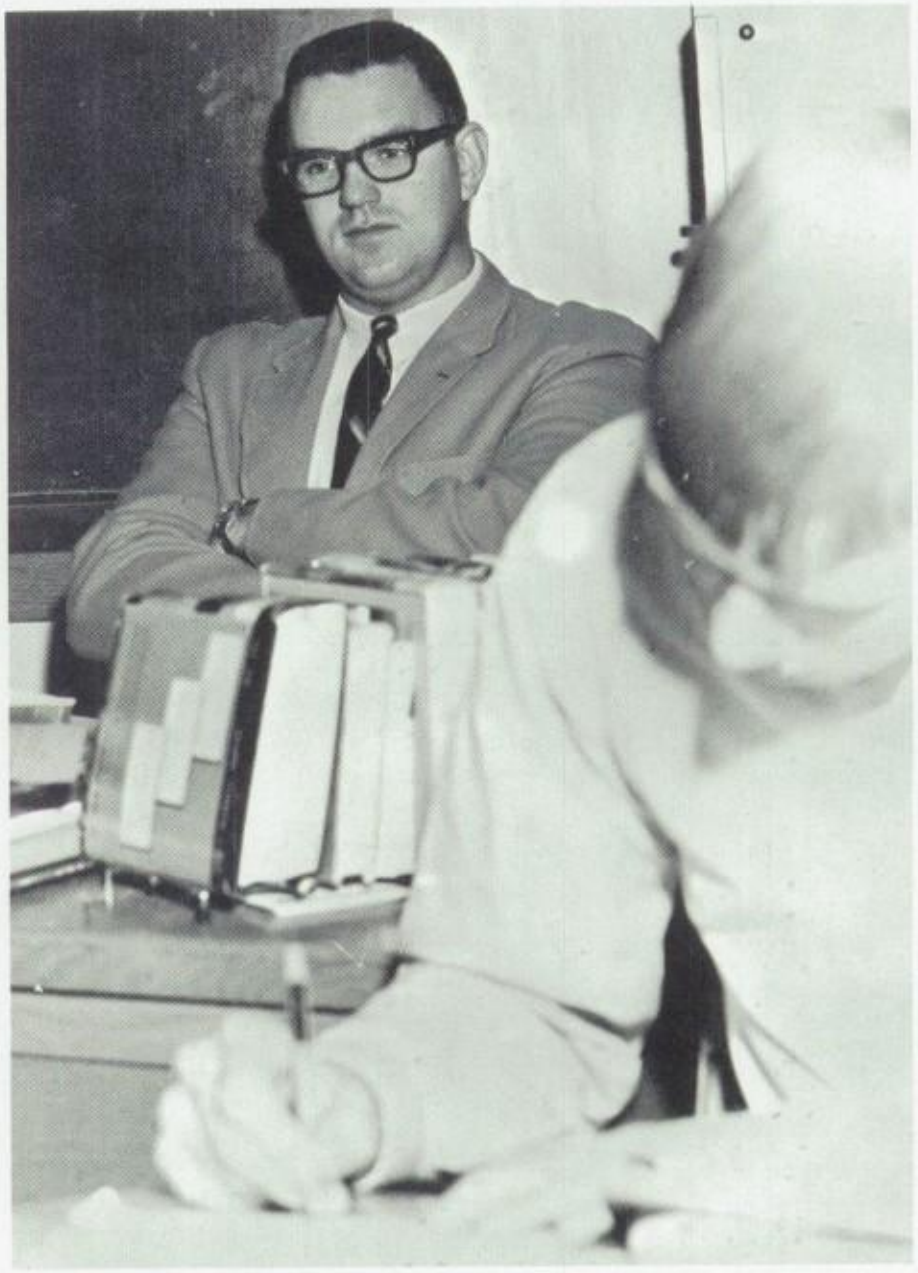
MR. JAROLD GROTERS guidance and American history. Guidance and social studies departments chairman

Connie Gusler is employed half days as a secretary at Ready Finance Company.

Co-Op Training Introduced

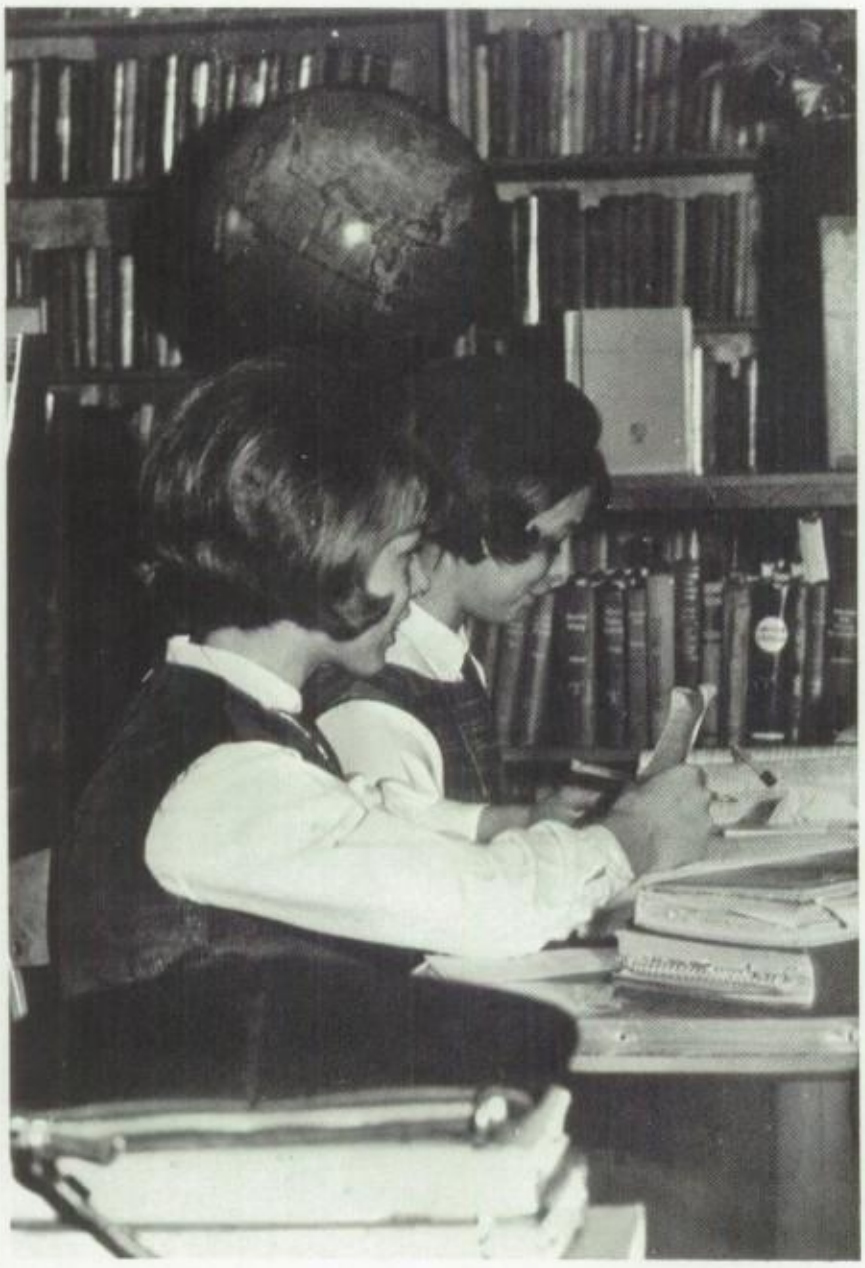
Guidance is a reassuring companion to a confused and bewildered student of Zeeland High School. This year two counseling sessions were established for each student in which the counselor and student became acquainted, discussed vocational opportunities, and planned future academic courses. Frequently, counselor staff meetings were held to discuss any problems of individual students and to evaluate and discuss new program material.

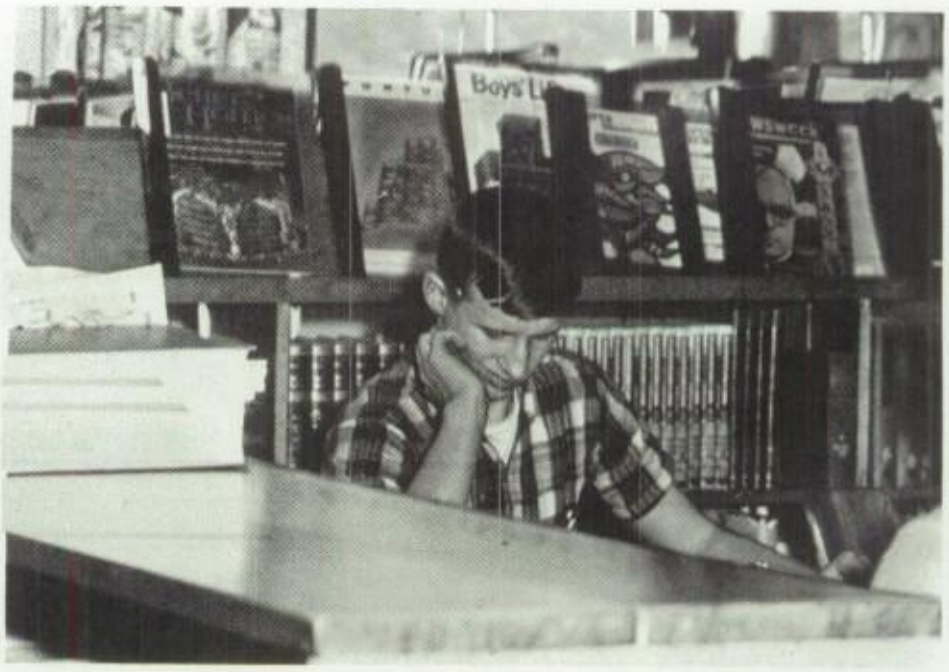
The co-op program for seniors was initiated this year in cooperation with business firms. The majority of participants were non-college bound students. They were required to attend a half-day of regular school and pursue a job occupation the other half-day. Salaries and credits were received by all co-op participants.

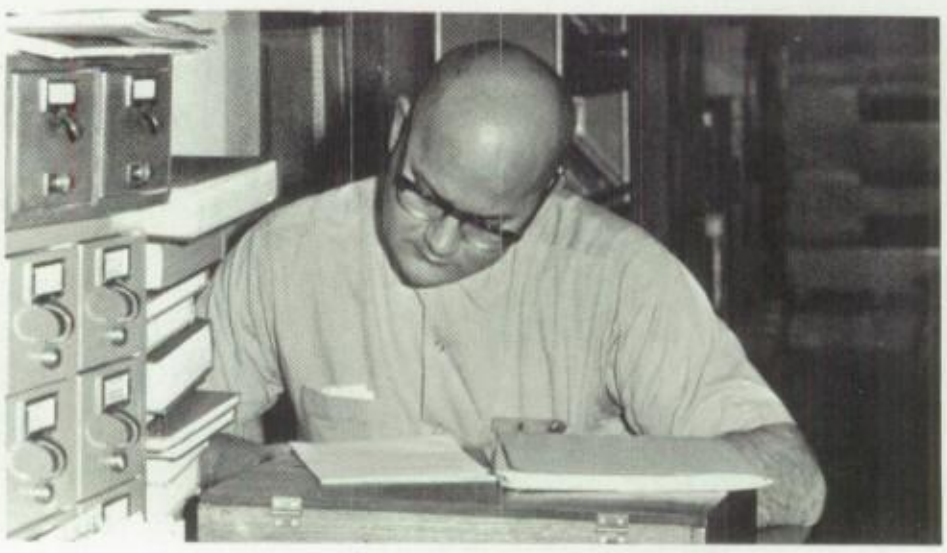


MR. ROBERT CLARK co-operative training

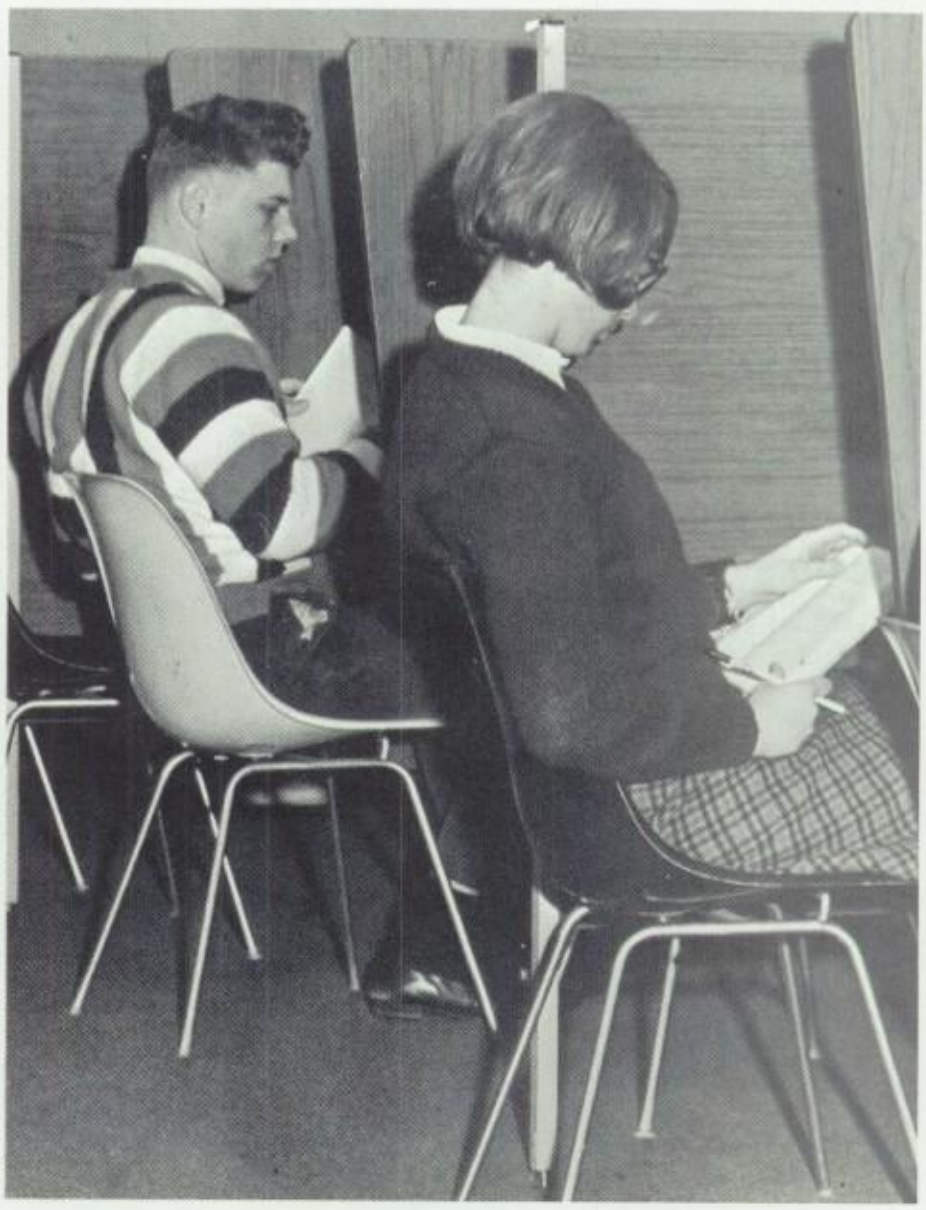
Sh-h-h-h!







Antiquated to Innovated



This year the study hall was completely renovated. Carpeting was laid and desk units were installed to provide a better atmosphere for concentration and study. In order to allow one person to easily monitor the students, the study hall was equipped with a new intercom system between the carrel and the main desk.

Students may also spend their study periods in the library, which is under the direction of Mr. Stanley Alberda. A special effort has been made this year to augment the available material in the library.

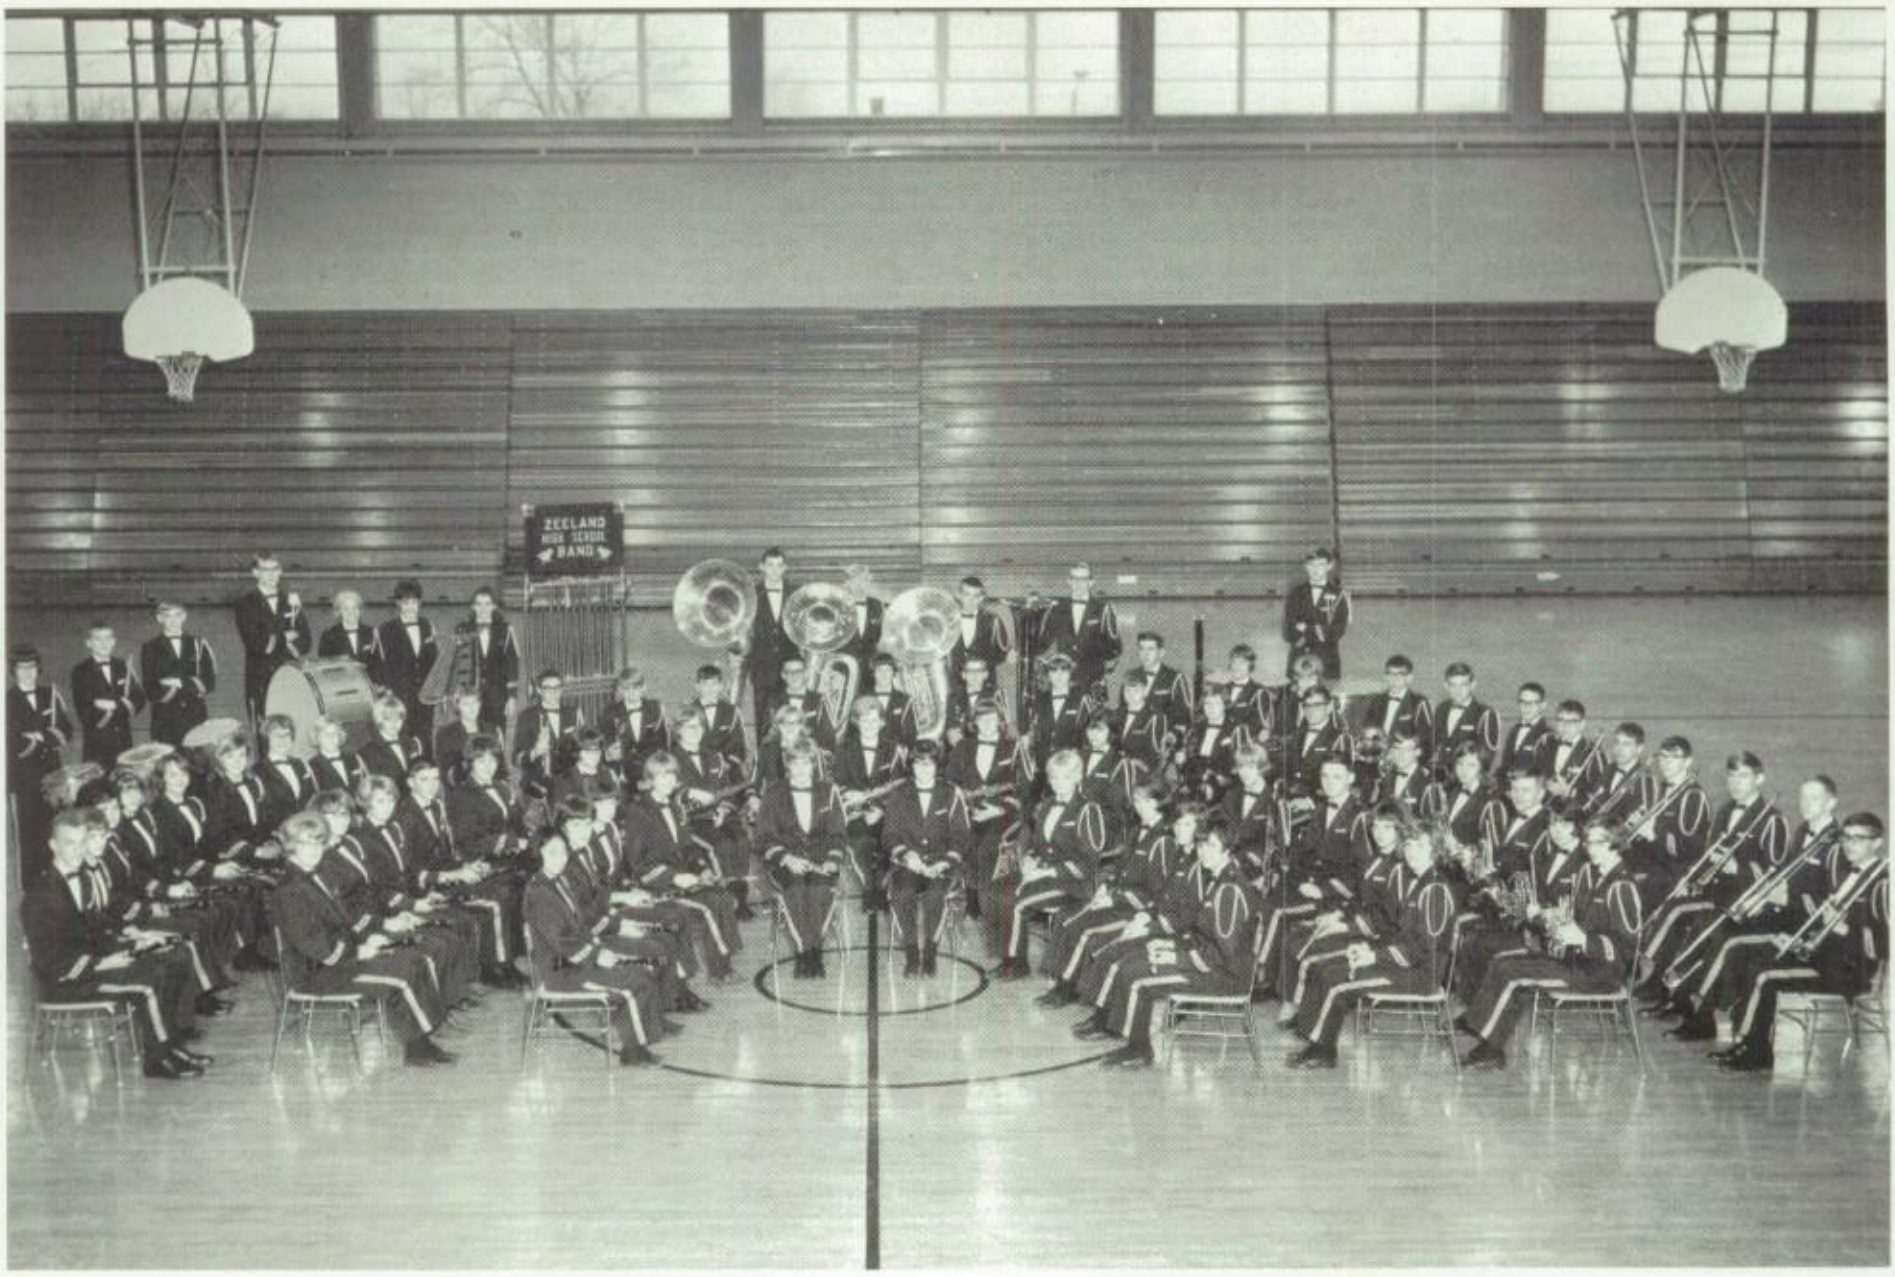
Mrs. Anne DePree Reisig

Graduated From Zeeland High School 1955

Mrs. Anne Reisig graduated from Hope College, Holland, Michigan, where she majored in vocal music and studied voice under Mrs. Norma Baughman. She attended graduate school at the University of Michigan School of Music.

A resident of Chicago since 1963, Mrs. Reisig has continued her career in that area. She has been a member of the Rockefeller Choir at the University of Chicago for two years. After winning the Chicago Musicland Festival in 1964, Mrs. Reisig was a featured soloist at Soldier's Field and was selected to represent Illinois at ceremonies honoring that state at the New York World's Fair. In the spring of 1965 she was awarded the $500 Farweil Award at DePaul University. Mrs. Reisig has also appeared as soloist and recitalist for many functions on Chicago including three performances in Oratorio in the Methodist Temple.

ARTS and HONORS



ZHS Takes First at District

Solo Ensemble first and second place winners. *First Row:* Steve Baron, Carla Heybor, Randi Vande Velde, Wilma South *Second Row:* Mary Zandee, Joyce Miyamoto, Jon Kronemeyer, Rich Van Eizenga, Peggy Aardsma, Glenda Blawkamp

ZHS Hosts Festival

For the second consecutive year, Zeeland hosted the Marching Band Festival at the Zeeland Athletic Field. The twelve bands present were judged in four categories: music, marching, show design, and audience impact. Zeeland received a second division rating.

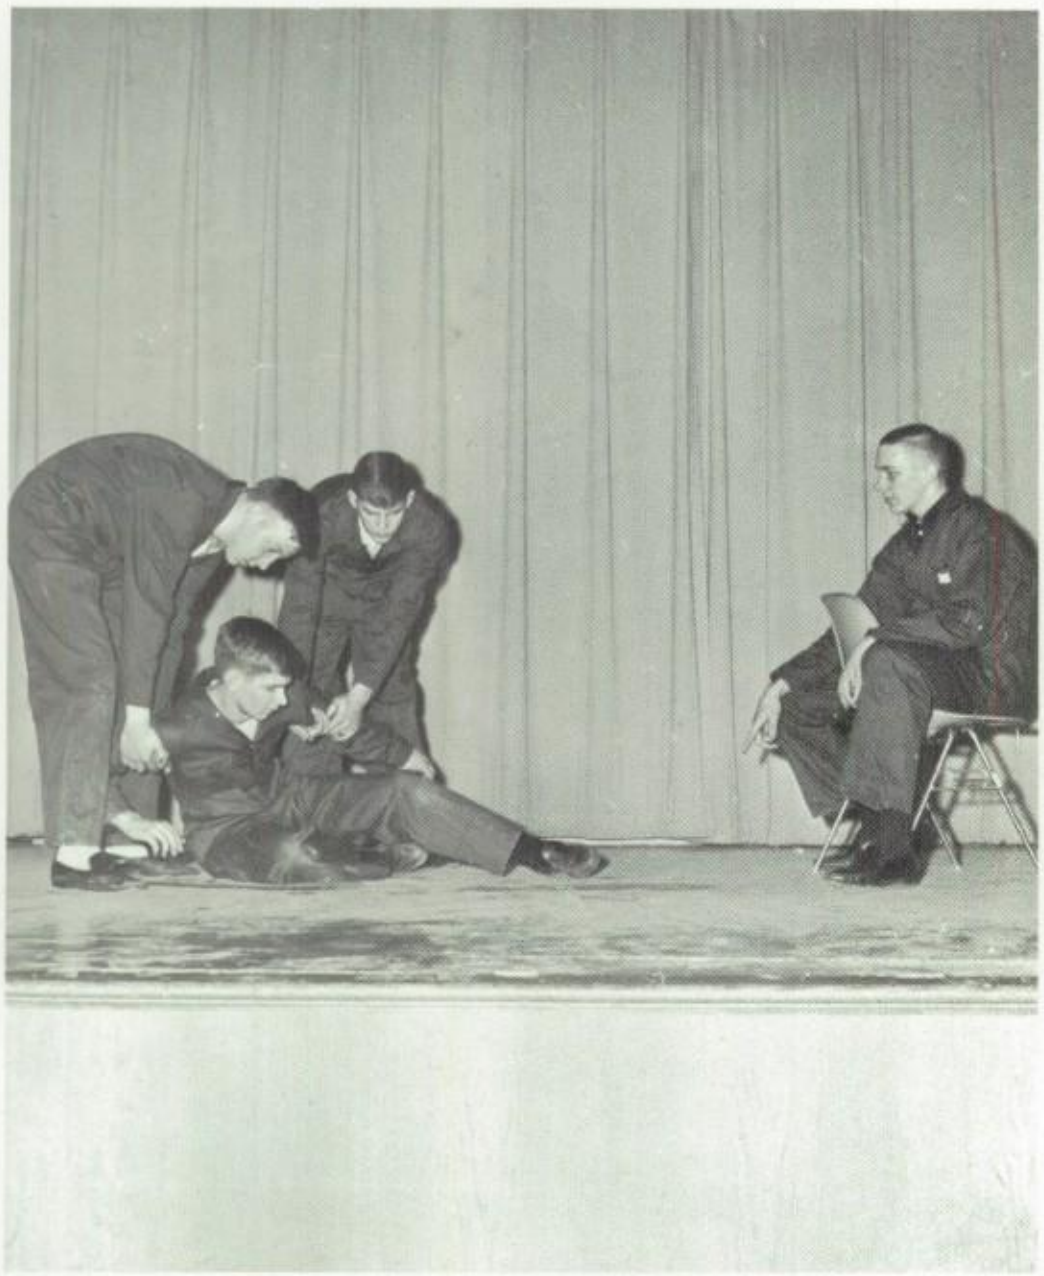
Festivals Head Activities

Two festivals highlighted the ZHS choral season. On November 23, 1965, Zeeland hosted the Ottawa-Kent Choir Festival. Thirteen schools participated in the afternoon and evening sessions. The mass choir was directed by Professor Hilbisch.

In March, our choir attended the festival at Reeths-Puffer High School. The thirteen individual choirs present were judged on tone quality, diction, and rhythm.

The choir also attended a concert of the Marine Band in the Holland Civic Center and went caroling during the Christmas season.

Any senior or drama student may become a member of the newly organized Drama Club, sponsored by Mr. James Korf. The club presented a Christmas play, *Mugsy's Merry Christmas,* and a one-act play night. They participated in a one-act play festival at Ionia and an exchange assembly with Northview High.



"1984"

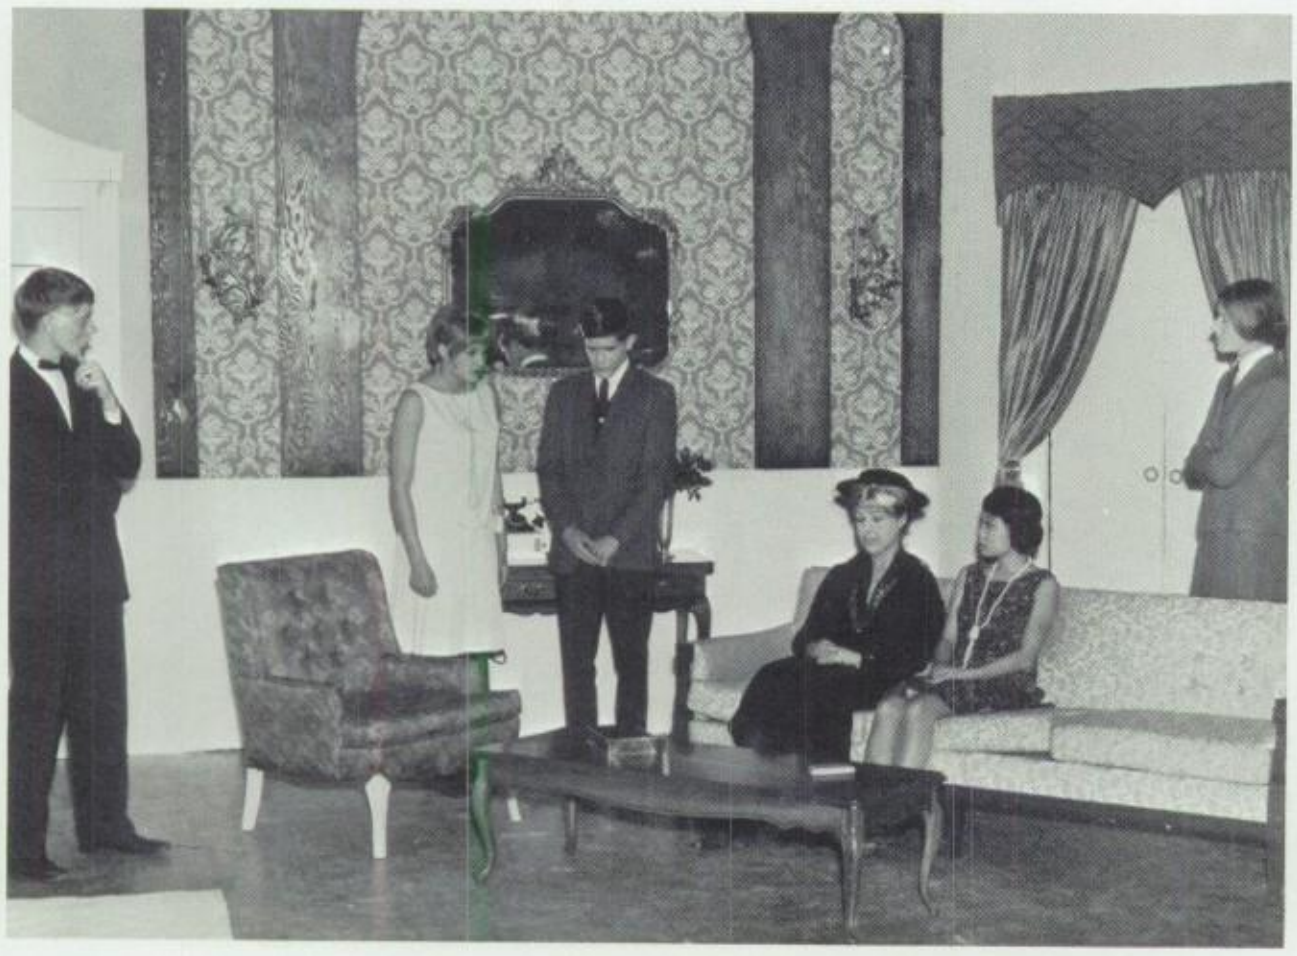
The stage adaptation of Goerge Orwell's novel *1984* was presented on March 31, April 1 and 2 by the class of '67. The three act drama was under the direction of Mr. Scholten, a member of the English department.

Depending entirely on the actors for its dramatic effect, *1984* depicts life under a totalitarian government, a government which controls every dimension of life, even men's minds and memories.

Winston Smith and Julia, co-workers at the Ministry of Truth, fall in love and discover their mutual hatred of Big Brother. Their life together away from the watchful gaze of Big Brother and their attempt to join a conspiracy to overthrow the Party results in a dramatic and startling climax.

Senior Class Presents Gentlemen Prefer Blondes

Do gentlemen really prefer blondes? The answer is found in this year's senior play, *Gentlemen Prefer Blondes*. It is the story of two young unchaperoned girls who travel to Europe. While aboard the "Majestic", they meet their future husbands and lose their travelers checks. This leads them into several hilarious situations and provides entertainment for a delightful evening.



Leigh Bouwens to two co-workers, Margaret Watt and Nancy Meeusen, Copy Editor, "Well ... Ah ... Let's see. What can we do?"

Mr. Graf advises Editor Jody De Pree

Mary Hulst and Nancy Vanden Bosch

Stepping Stone Goes Color

The job of the annual staff began in June with members raising money by selling advertisements to local merchants and business firms. At weekly meetings during the school year the annual was written and arranged to be sent to the publisher by a deadline in early March. The actual work consisted of typing and writing copy, assisting photographers, choosing and arranging candid shots on the pages, and drawing up a rough form of each page. Dave Vander Wilk and Jerry Driesenga assisted Mr. Graf in taking photographs. The finished yearbooks are distributed to the students in late May.

This year's cover was designed by Blair Laackman.

'Peeper' Records ZHS News

The bi-weekly newspaper, the *Peeper* is produced by the members of the journalism class, which includes sophomores, juniors, and seniors. The paper informs students of activities of clubs, sports events, and other news of general interest. Included in every issue of the *Peeper* is a Faculty Feature column, which acquaints the students with members of the teaching staff at Zeeland High, and a Coaches Corner, which gives coaches the chance to comment on sports activities.

Forensics Every spring, capable and promising students enter the ZHS forensics contest under the supervision and instruction of Mrs. Marie Saunders. This year's participants competed in four major divisions: declamation, interpretative, humorous, and radio news commentary. First and second place winners in the respective divisions are Debbie Haan and Eleanor Hartgerink; Joyce Miyamoto and Bonnie Wolters; Betty Shaw and Diane Walters; and Rolf Vander Burgh. In preparation for the district contest at Grand Rapids Catholic, ZHS placements also competed in the Western Michigan Forensics Tournament at Godwin Heights High School.

Mr. Rumohr to Travel Abroad

This year's Herman Miller Travel Scholarship was awarded to Mr. John Rumohr, our ZHS social studies teacher. Mr. Rumohr will travel primarily to England and Germany, including the Soviet Zone, to gain personal insight into the customs, history, and lives of other peoples and to relay these experiences to our school and community. The scholarship is awarded every two years to one teacher in the Zeeland school district who has applied for the award and has met certain qualifications.

National Honor Society consists of 5% of the junior class and 15% of the senior class. In order to qualify as a member one must maintain at least a 3.0 average throughout his high school career, demonstrate leadership in school life, and be of good character. Membership is limited to selection by the faculty. Juniors remain members through their senior year.

Merit

Girls State

Girls State is an annual event which gives an insight into the American governmental system through lectures, discussion, and actual participation. Delegates to this year's Girls State are Jody De Pree and Leigh Bouwens. Peggy Zolman and Margaret Watt are alternates.

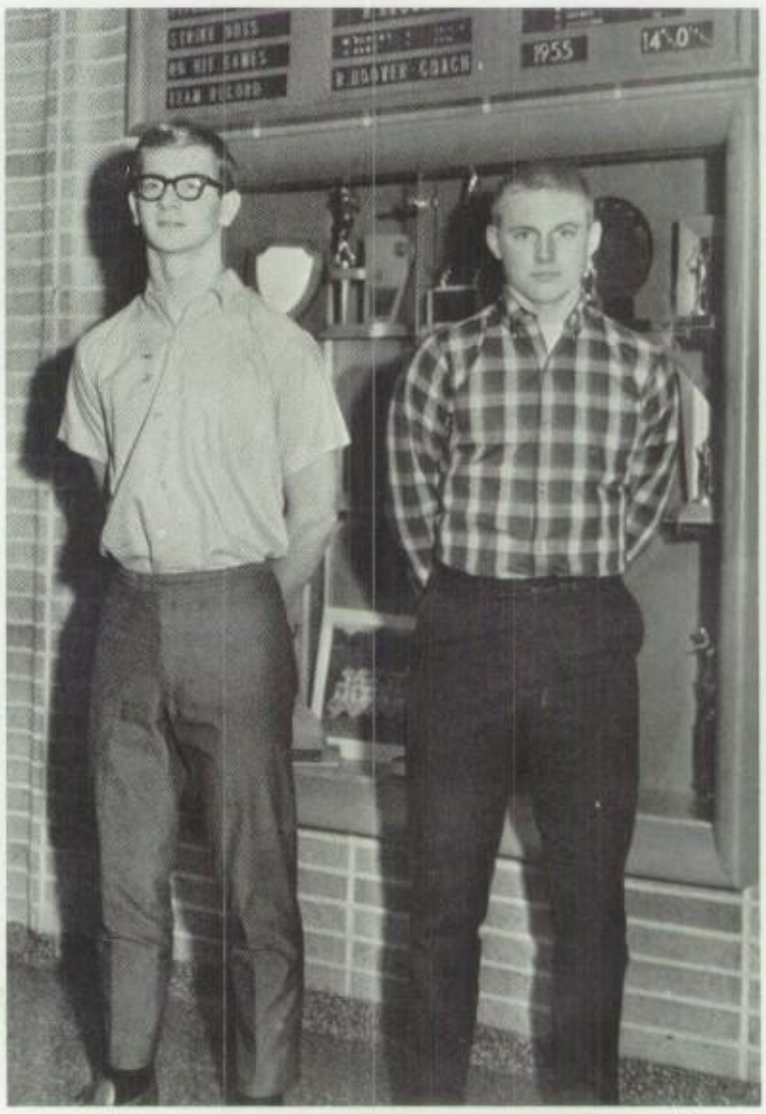
"To develop the responsibilities of leadership, to prove the advantages of citizenship, and to promote the art of clean sportsmanship"—these are the aims of Wolverine Boys State. Dean Boonstra and Jack Geerlings, sponsored by the American Legion, will represent ZHS at the seminar this year. The alternates are Kurt De Vries, John Blauwkamp, and Brent Hoffman. The Zeeland Lions' Club also sponsors one delegate annually.

Quill and Scroll is the International Honorary Society for High School Journalists. Gayle Yerkey, Jeanne Wybenga, Nancy Meeusen, Joyce Miyamoto, and Jody De Pree were awarded membership on the basis of their high scholarship, journalistic achievement, and service.

The local Rotary Club selected Zeeland's Junior Rotarian who will represent ZHS at Camp Emery this summer.

Quill and Scroll

Boys State



Receives Recognition

National Thespian Society

The newest organization formed at Zeeland High School is the National Thespian Society. Its members are selected on the basis of participation in dramatic activities—both production and acting roles.

Nancy Meeusen is Zeeland's D.A.R. representative for 1965-1966. As D.A.R. she represents good citizenship in Zeeland High.

D.A.R.

Mr. Willard DePree

Graduated From Zeeland High School 1946

Mr. Willard DePree, a Foreign Service Officer serving in the American Embassy in Ghana, is chief of the Political Section. After graduating from Zeeland High School in 1946, he enrolled for two years at Hope College. Transferring to Harvard University in 1948, he was graduated in 1950 with a B.A. degree in Political Science. The recipient of a Rotary Foundation Fellowship, he spent a year at the University College of Wales at Aberystuyth, Wales. Returning to the United States in 1951, he entered University of Michigan and received an M.A. degree in 1953.

After a term of duty in the U. S. Army, he was accepted in the Foreign Service. His first two assignments were Consular Officer in the American Embassy, Cairo, Egypt, and Economic Officer of the Consulate General, Nicosia, Cyprus.

Returning to the U. S. he was sent to Northwestern University for African Training for one year. His next assignment was Acting Director, Division of West Africa and the Congo in the Office of Research for Africa, the Department of State, Washington, D. C. In July, 1964 he moved to Accra, Ghana, where he is presently serving.

ACTIVITIES

1965-66 marked two major changes in student council activities. Council meetings were held each day in homeroom and Zeeland High entered the Ottawa-Kent League.

Several main events of this year's student council, sponsored by Mr. Galer, were planning the Homecoming ceremonies, taking charge of the ticket sales for the Holiday Invitational Wrestling Tournament, organizing the Twirp Season activities, and, through money made from the student council bookstore and "*Bye Bye Birdie*", financing the foreign exchange program.

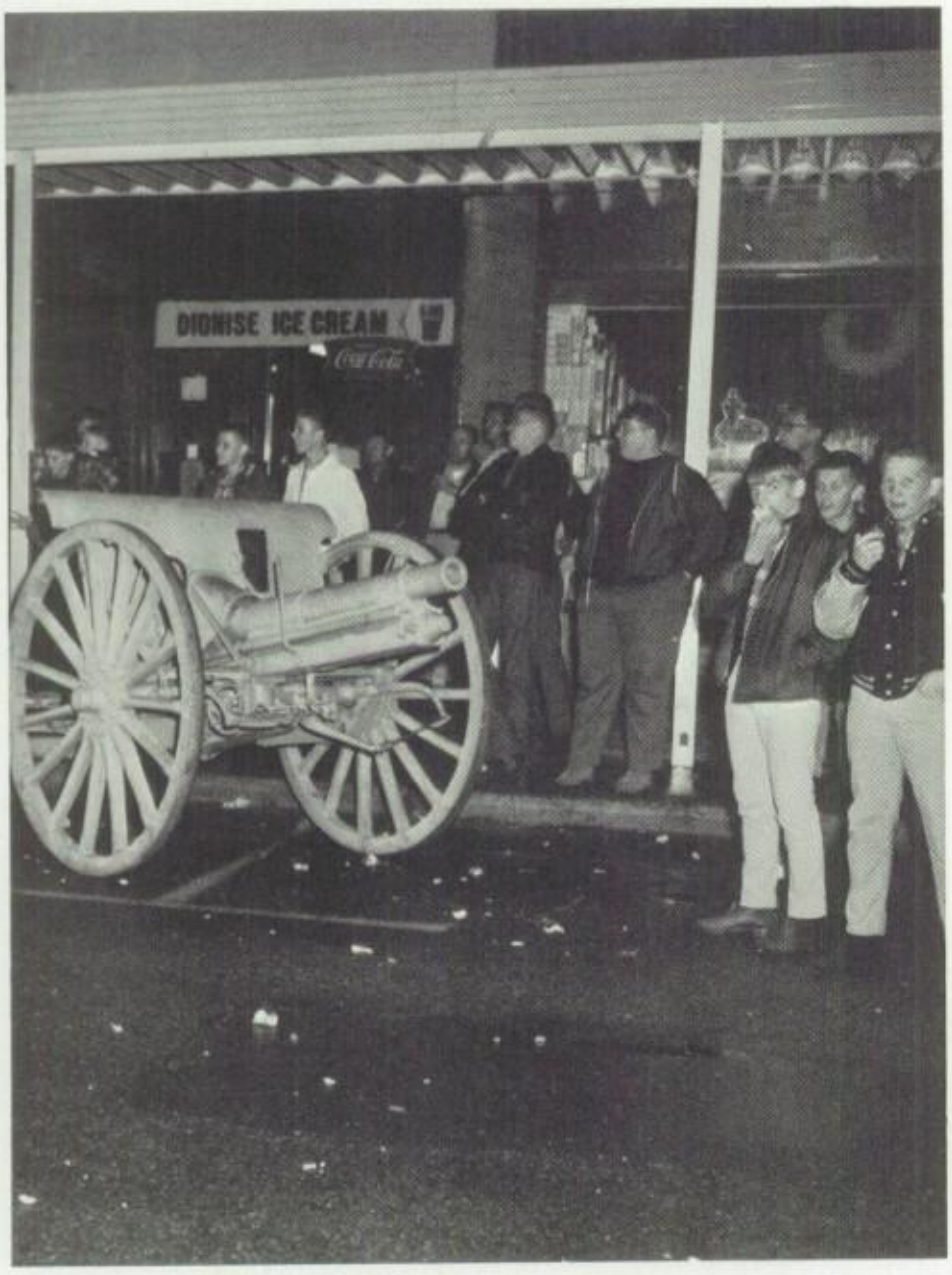
The student council also decided to add to the inspirational messages delivered at the chapel services by having the entire student body stand and recite the Pledge of Allegiance.

PYRAMID
ABERS

"BYE BYE
BIRDIE"

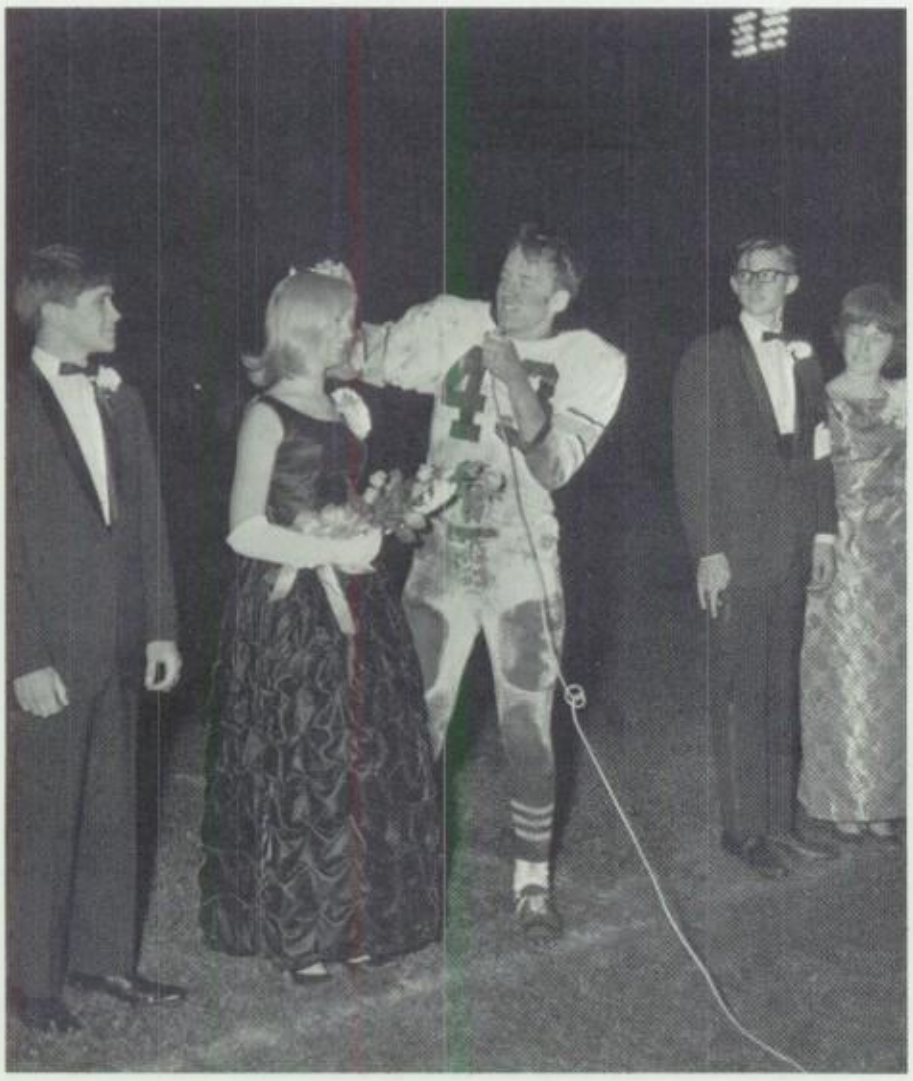
The Zeeland High Fighting Chix suffered a disappointing defeat (19-7) at the hands of the Caledonia Scotties in the October 8 Homecoming football game.

Some Enchanted Evening

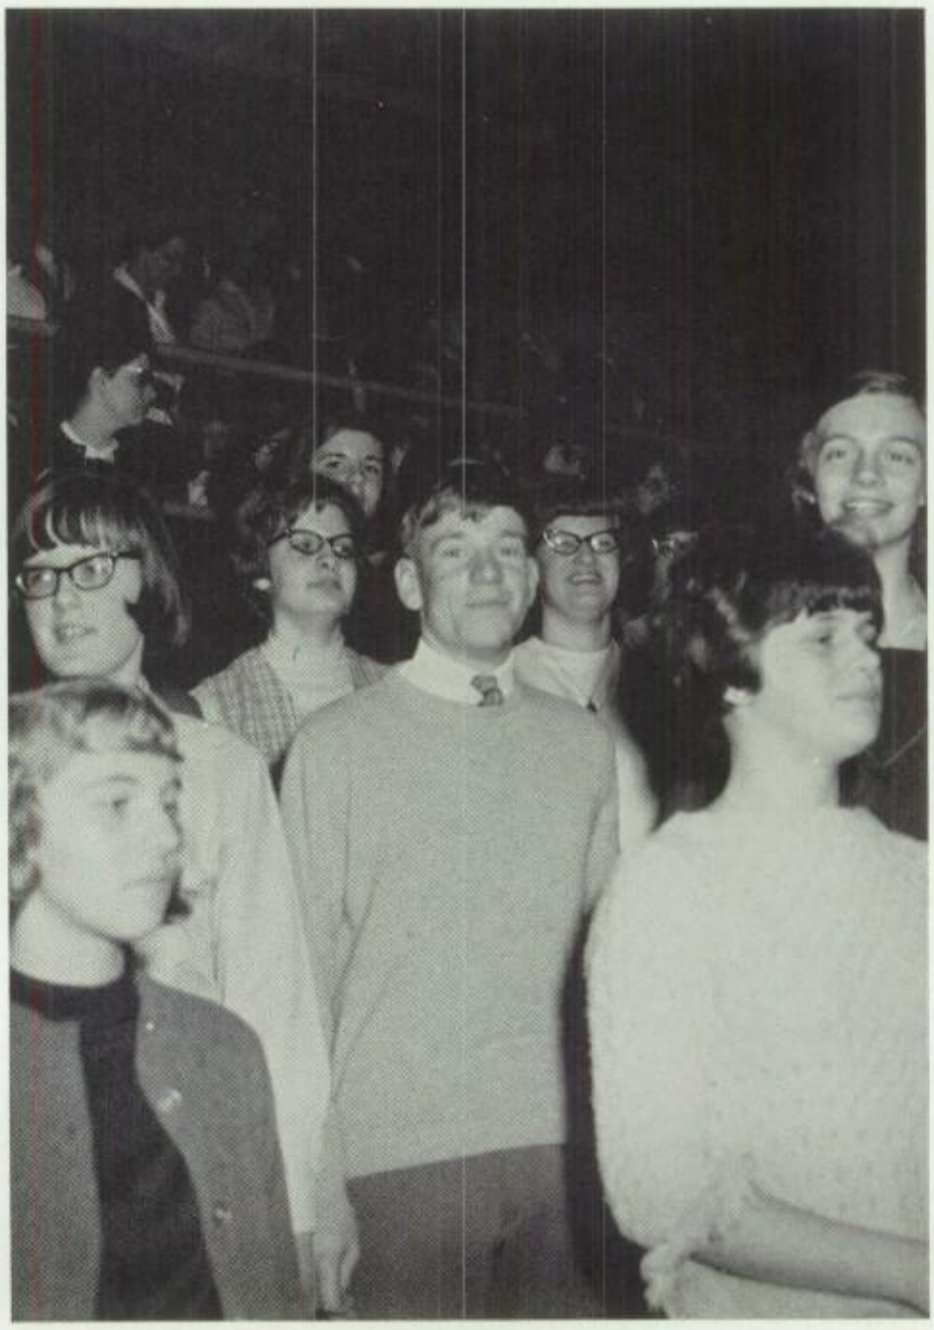


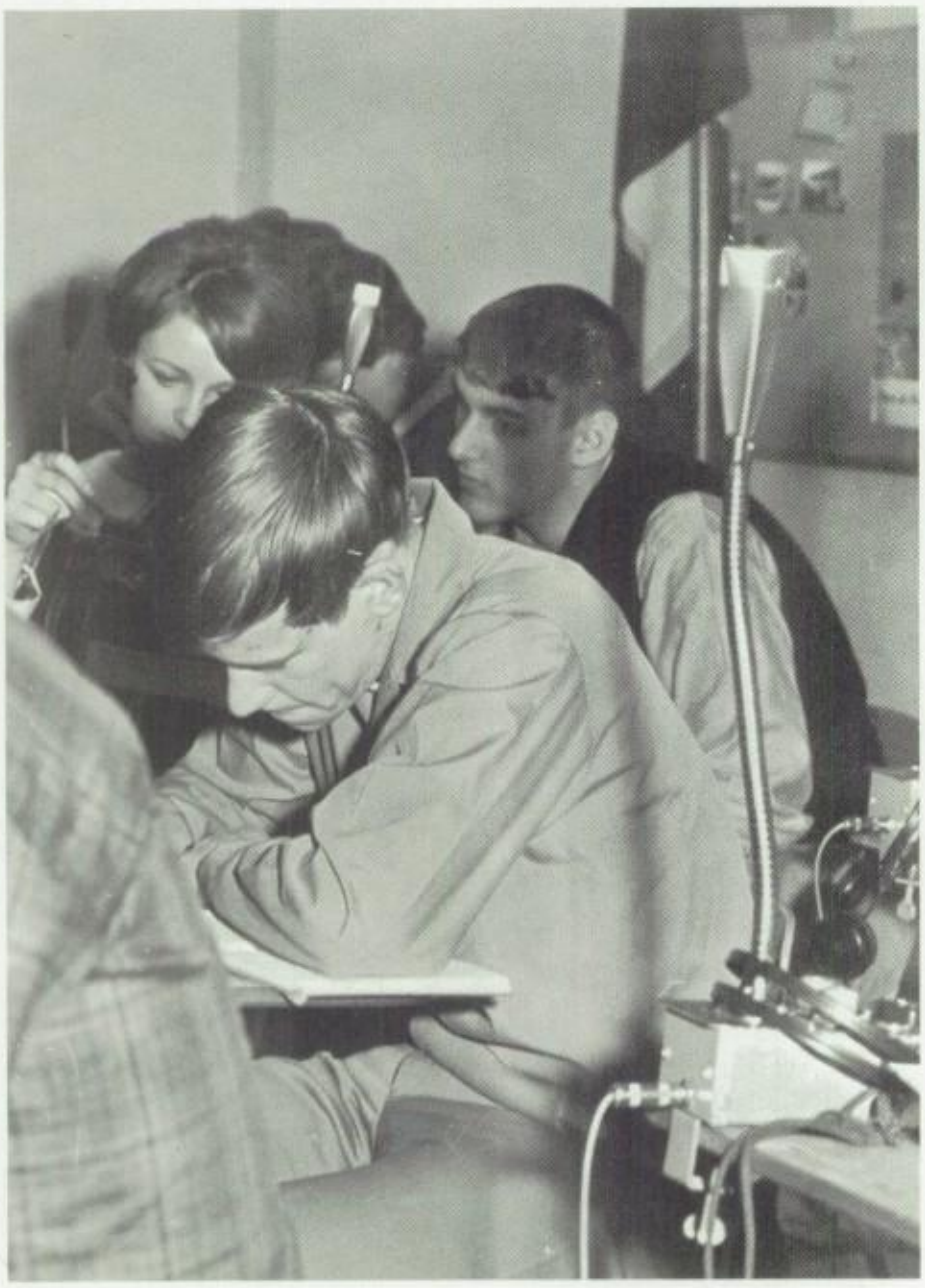
On Thursday, October 7, 1965, our Homecoming festivities began with the traditional Snake Dance. After the long run down Main Street which lead to the football field, the students watched the coronation of Queen Moose (Rick Van Eenenaam) of the mock queen's court. Surrounded by cheering students, the Caledonia Scotties were then burned in effigy. Following the pep rally, everyone gathered downtown for a street dance.

The annual Homecoming snake dance inspired the traditional "stealing" of the cannon. This year, with help of the Zeeland Police Department, the cannon was pulled to downtown Zeeland where it was the main attraction of the street dance.



Homecoming 1965, "Some Enchanted Evening," was climaxed with the crowning of Queen Gayle by football captain Tom De Vries. On the court were junior Sharon Schipper, freshman Linda Hop, sophomore Pam Schipper, and senior Bev Hop. After the game a student-alumni dance featuring the Sheffields was held in the gym.





I was born in April 7, 1948 in the province of Wermland in Sweden. When I was 13 we moved to a little town about 100 miles north of Stockholm on the Baltic.

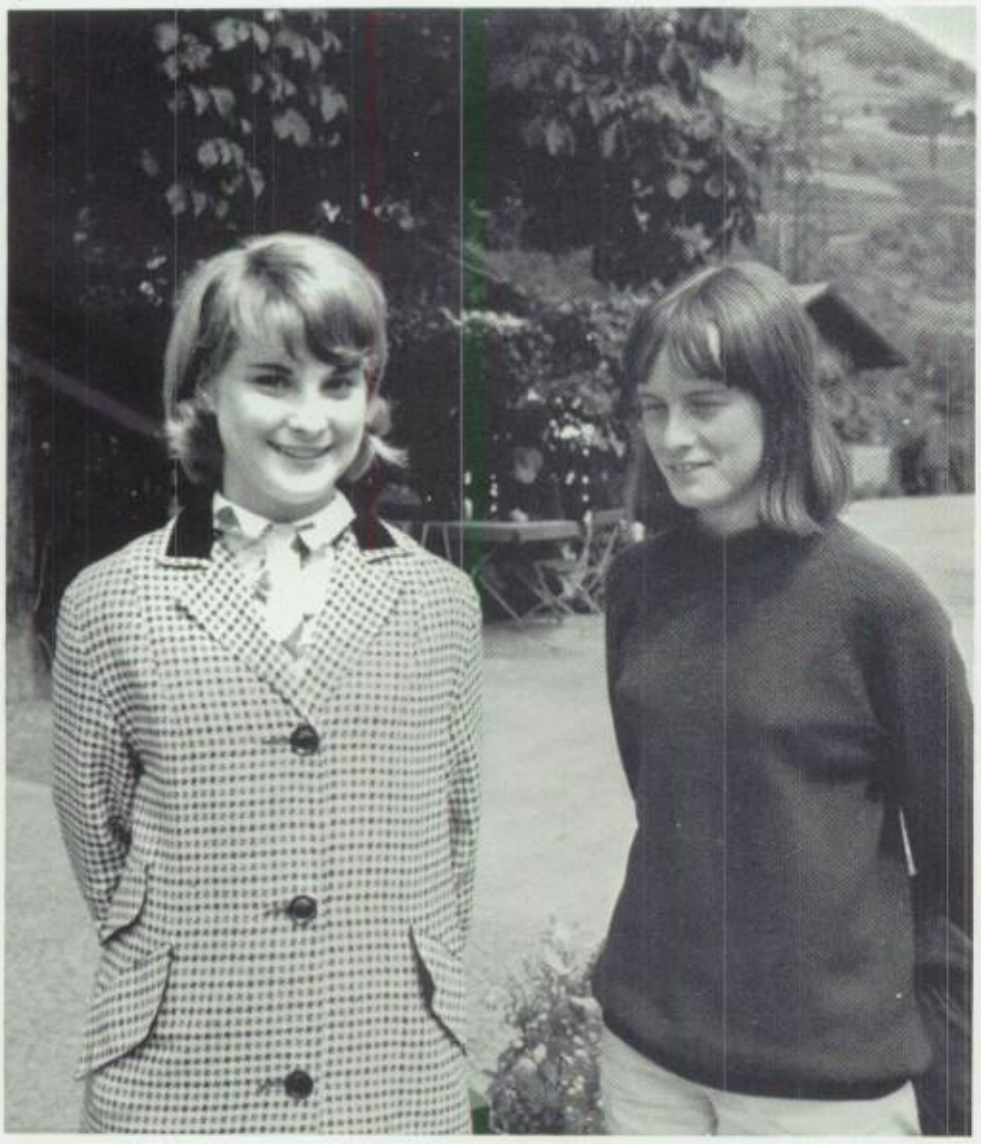
Since fall 1964 I go to school in the old university town of Uppsula, not at the university but in a "gymnasium". There I live in a kind of dorm and I go home only on weekends and holidays.

When I return to Sweden I have two years left in the gymnasium and after one year in the army I hope to go to a school of Economics.

My father works for a fiberboard company at the office. I have also a sister of 13 whose name is Mariane.

Gunnar Olssen

Teenagers Share Culture



Representing our school abroad this summer was Ann Raterink. Her trip, which included visits to Germany, Italy, Australia, Holland, and France, was financed by the Student Council. For nine weeks Ann lived with a German family which included Herr and Frau Fritsch, Isolde, 17, and Ekkehard, 16. Their home was in the southwest part of Germany, but they spent one month on vacation on the Alps of Italy. The picture top left shows Ann with her German mother, brother, and sister at the train station. The family and the Fritsch's house in Heidenheim, Germany is shown top right. The bottom picture is Ann saying *auf wiedersehen* to Isolde after enjoying a summer together that won't soon be forgotten.

The ZHS Commercial Club is a progressive organization which prints materials and booklets for civic organizations. They also tour offices to gain practical knowledge of the business world.

GAA

The Girls' Athletic Association, sponsored by Miss Schrier, meets once every other week. Any high school girl may become a member of this organization. During the year, they participate in various sports. This year, they also competed in a soccer game with Kenowa Hills High School and several interscholastic basketball games.

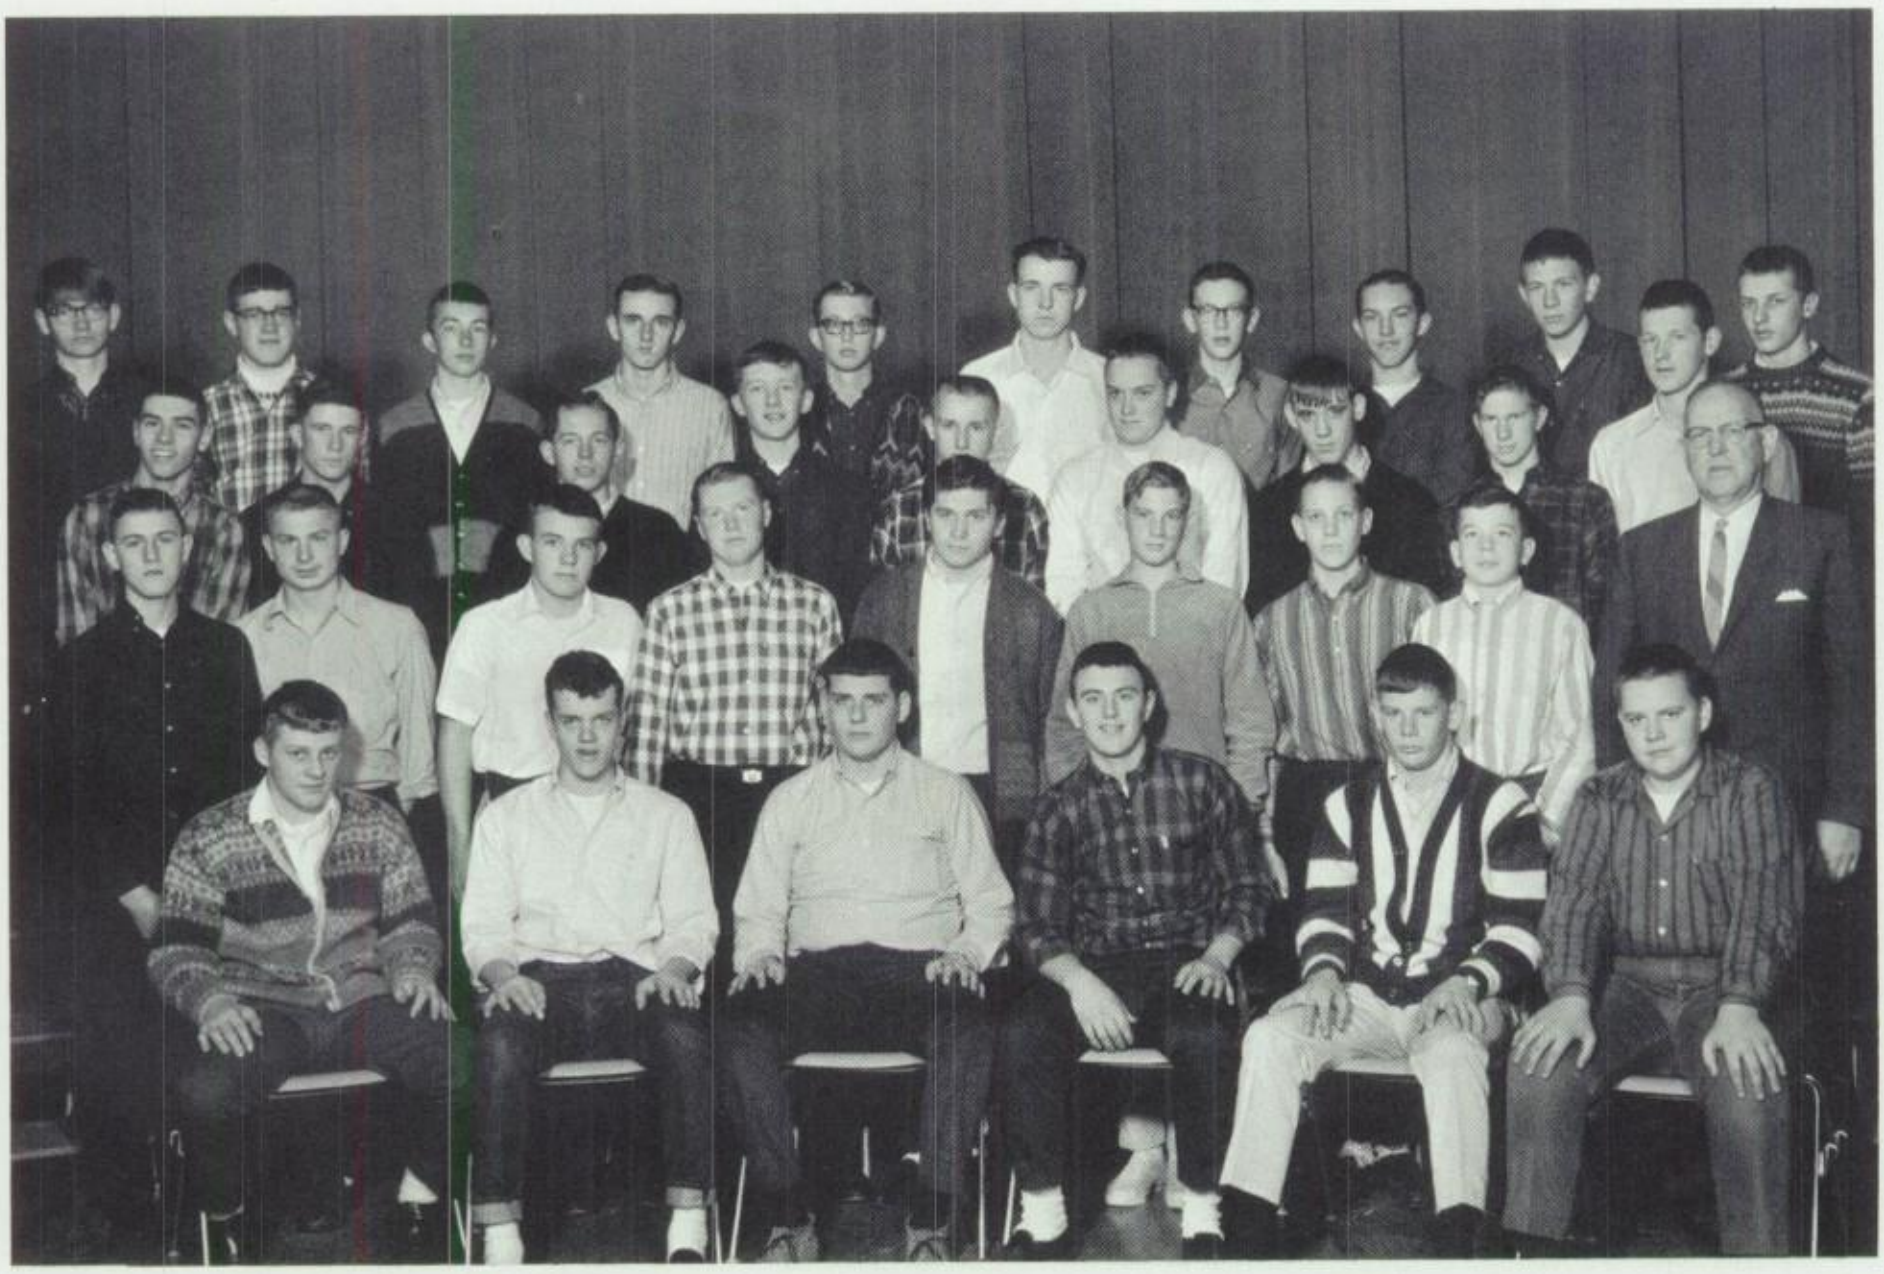
Any Home Economics student may become a member of the Home Ec Club. The biggest project undertaken this year by the girls was making Amity Kits (cloth bags filled with inexpensive toys and personal articles worth $1.00) for orphans in Viet Nam.

Other activities consist of baked goods sales, parties, and cookbook sales.

'. . . Yell, Chix, Yell!'

Any senior girl may become a member of the Senior Girls' Pep Club. This organization makes pep signs for the football and basketball seasons, presents at least one pep assembly each semester, raises money for projects in our athletic department, and, above all, promotes school spirit.

The Future Nurses Association provides an opportunity for sophomore, junior, and senior girls to explore the many aspects of the medical profession. Under the supervision of Miss Cecelia Ver Hage and Mrs. Richard Van Hoven, the club holds monthly meetings at which speakers introduce them to social work, career opportunities, and nursing in general. Special activities include hospital tours and special parties.



Agriculture students may become members of the Zeeland FFA, a part of the national Future Farmers of America. Members have the opportunity to attend Farmer's Week at Michigan State and the International Livestock Show in Chicago. In the spring, the FFA sponsors a chicken barbecue to which parents of members are invited. Members also receive The National Future Farmer magazine and compete against other Future Farmers in livestock competition.

FTA, Future Teachers of America, acquaints its members with the various opportunities and aspects of the teaching profession. The club endeavors to accomplish this end through films, discussions, and speakers. This year, through our elementary school systems, several members gained practical experience in the classroom. Annually, members tour a college campus to become familiar with various Michigan schools.

The Athletic Sisters is an organization which is composed of sophomores, junior, and senior girls. Every year freshman girls are given the opportunity to circulate petitions for membership. From these applications a required number of new members is selected by the teachers. These girls then remain Athletic Sisters throughout high school. The purpose of the club is to sell refreshments at football and basketball games in order to earn money to purchase athletic equipment for the school. Several items purchased in the past include the trampoline, the scoreboards, and the football and basketball uniforms.

The Z.H.S. Latin Club, sponsored by Mrs. Mans, consists of second and third year Latin students. The entire club attends two joint meetings held during the school year. However, most of the action takes place in the three individual clubs. An annual affair, and one of the most unique club activities, is the Latin banquet. At this function, first year students are slaves and entertain the other club members and all former Latin students still in school. The Latin Club also attends the Michigan Junior Classical League Convention each spring.

As part of the French Club's activities, they enact old French fables.

Bill De Graaf presents Mrs. Mans with a laurel wreath in appreciation for all she has done for the Latin Club.

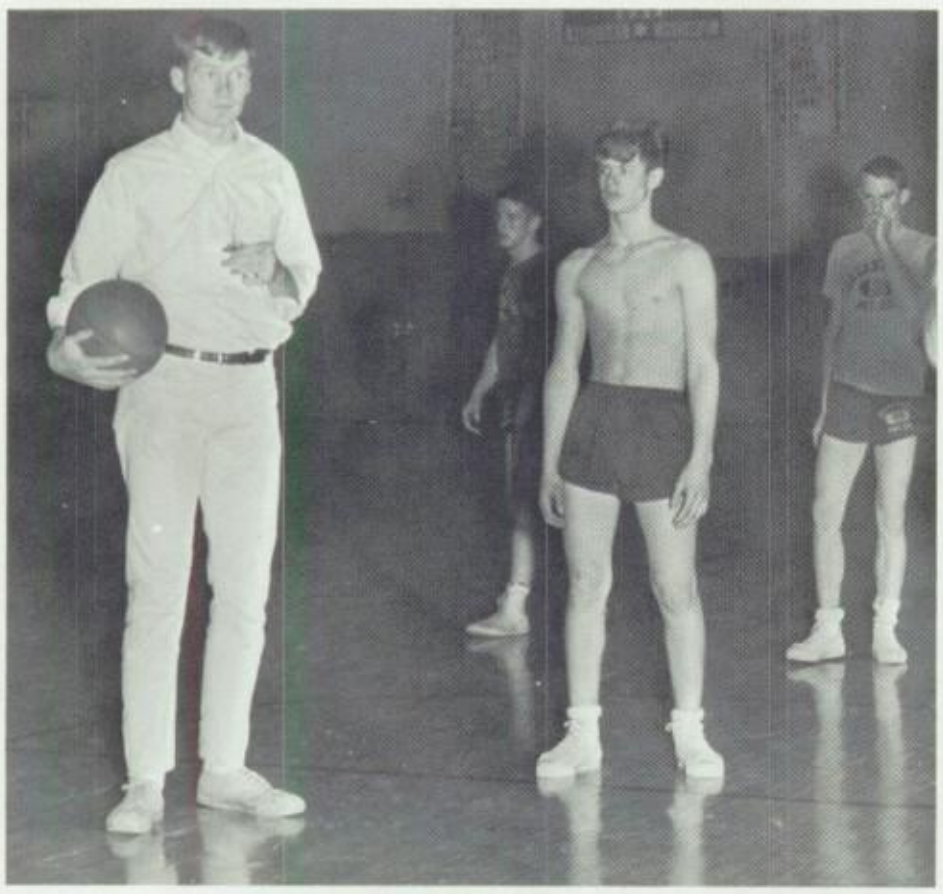
The annual Latin Club banquet was held on February 24, 1966. Second and third year students, dressed in Roman costumes, entered the peristyle (garden) where they socialized before dining. They then lay down to an excellent three course meal served by the slaves, first year students. Besides obeying commands, the slaves were officially initiated into Latin Club and were required to provide entertainment. A slightly different version of "The Return of Ulysses" was presented and the "Hercules-Brutus Report" brought everyone up-to-date on the latest affairs of the Roman Empire.

French I Club made up of French I students, and French II Club, composed of French II students, hold monthly meetings in the classroom. During the meeting, skits are performed along with other types of entertainment.

At the conclusion of each year, the two clubs work together preparing the annual French Club Banquet, which includes a meal in downtown Zeeland and enteftainment in the girls' gym.

Basketball at Its Best!

Intramural basketball provides an active recreation for boys who are not involved in school wrestling or basketball. Under the direction of Mr. John Blom, four teams compete in league competition. They include a faculty, senior, and two junior teams. At the end of their season, tournaments are held to establish a final victor.



Mr. Jim Kaat

Graduated From Zeeland High School 1956

Jim Kaat, after completing one year at Hope College, Holland, Michigan, signed with the Washington Senators baseball club in 1957. In 1961 the Senators moved to Minnesota and Jim completed his first full year in the Major Leagues. He posted a 9-17 record. The following year Jim was the winning pitcher in more games than any other lefthander in the American League, his record was 18-14, He led the league in innings pitched (269), shutouts (5), complete games (16), and was co-leader of American League left handers in strikeouts (173). Ralph Houk, manager of the All-Star team, named Jim to the squad for the second game although he didn't play. His opponents voted him the recipient of the Sporting News-Rawlings Gold Glove as the league's best fielding pitcher in 1962. Jim posted records of 10-10 in 1963 and 17-11 in 1964 and was again voted the league's top fielding pitcher each year.

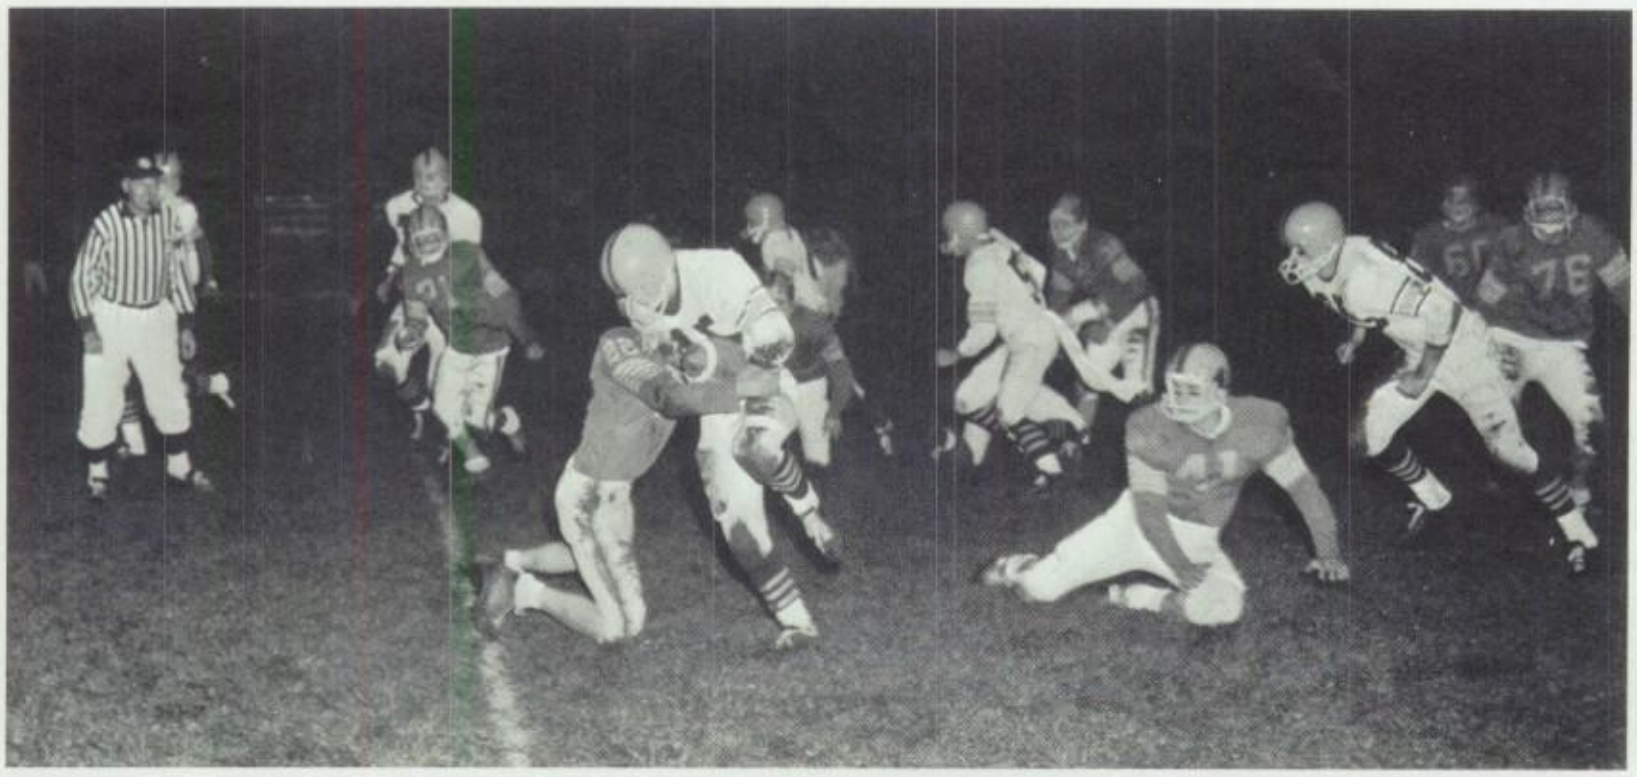
With an 18-11 record in 1965 he repeated as the lefty with the most wins in the American League. Jim pitched a 2-1 victory over Washington which clinched the pennant. He was the winning pitcher in the second game of the 1965 World Series. Jim gained the record for the most putouts in one world series game and in one world series by putting out five men in the second game. For his performance, he was again awarded the Sporting News-Rawlings Gold Glove.

ATHLETICS

Halfback Scott Van Hoven led the Chix in yardage gained on pass receptions. Scott, Roy Velderman, and Larry Bekius were elected to the all-conference second team.

Chix Have Winning Season

left: Mr. Dwight Wyngarden announces field action at home games. He also drives the team bus for away games. top: Coaches Cooke and Larsen shout instructions from the sidelines.



Jack Elenbaas was ZHS' top rusher in the 1965 campaign.

Senior Tom De Vries was voted Most Valuable Player of the ZHS football team. Selected by his teammates, Tom proved to be an effective quarterback on offense and also worked well as a defensive halfback. A great deal of praise can also be given to the other seniors on the team who provided hustle and set a good example for the rest of the team.

In an overall evaluation, the season was marked with inconsistency until the fifth game. In Coach Cooke's words, "The boys caught fire and found they could win if they depended on their desire and hustle."

Zeeland High ended its season with a 4-3-2 record. It was ZHS' first winning season since 1961. Commenting on the season, Coach Cooke said, "It was a good season and I am proud of the way we came along at the end of the year and became a good, tough team.

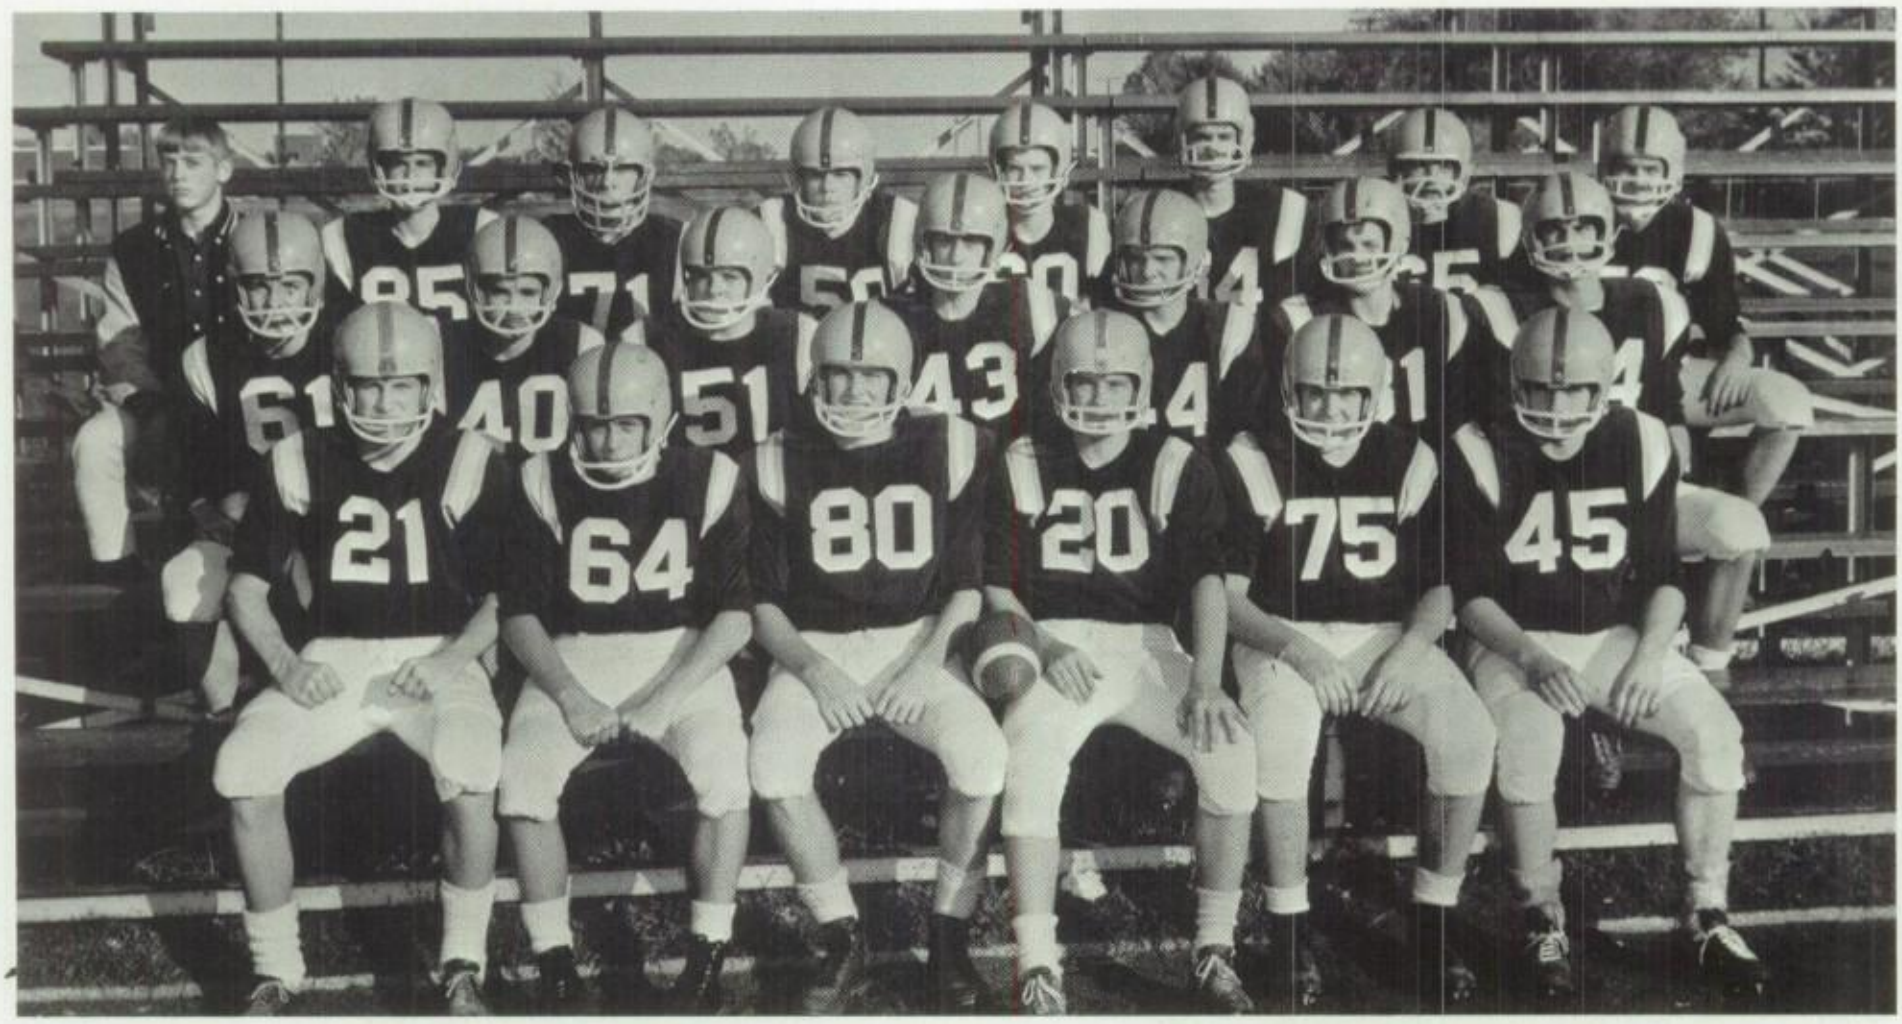
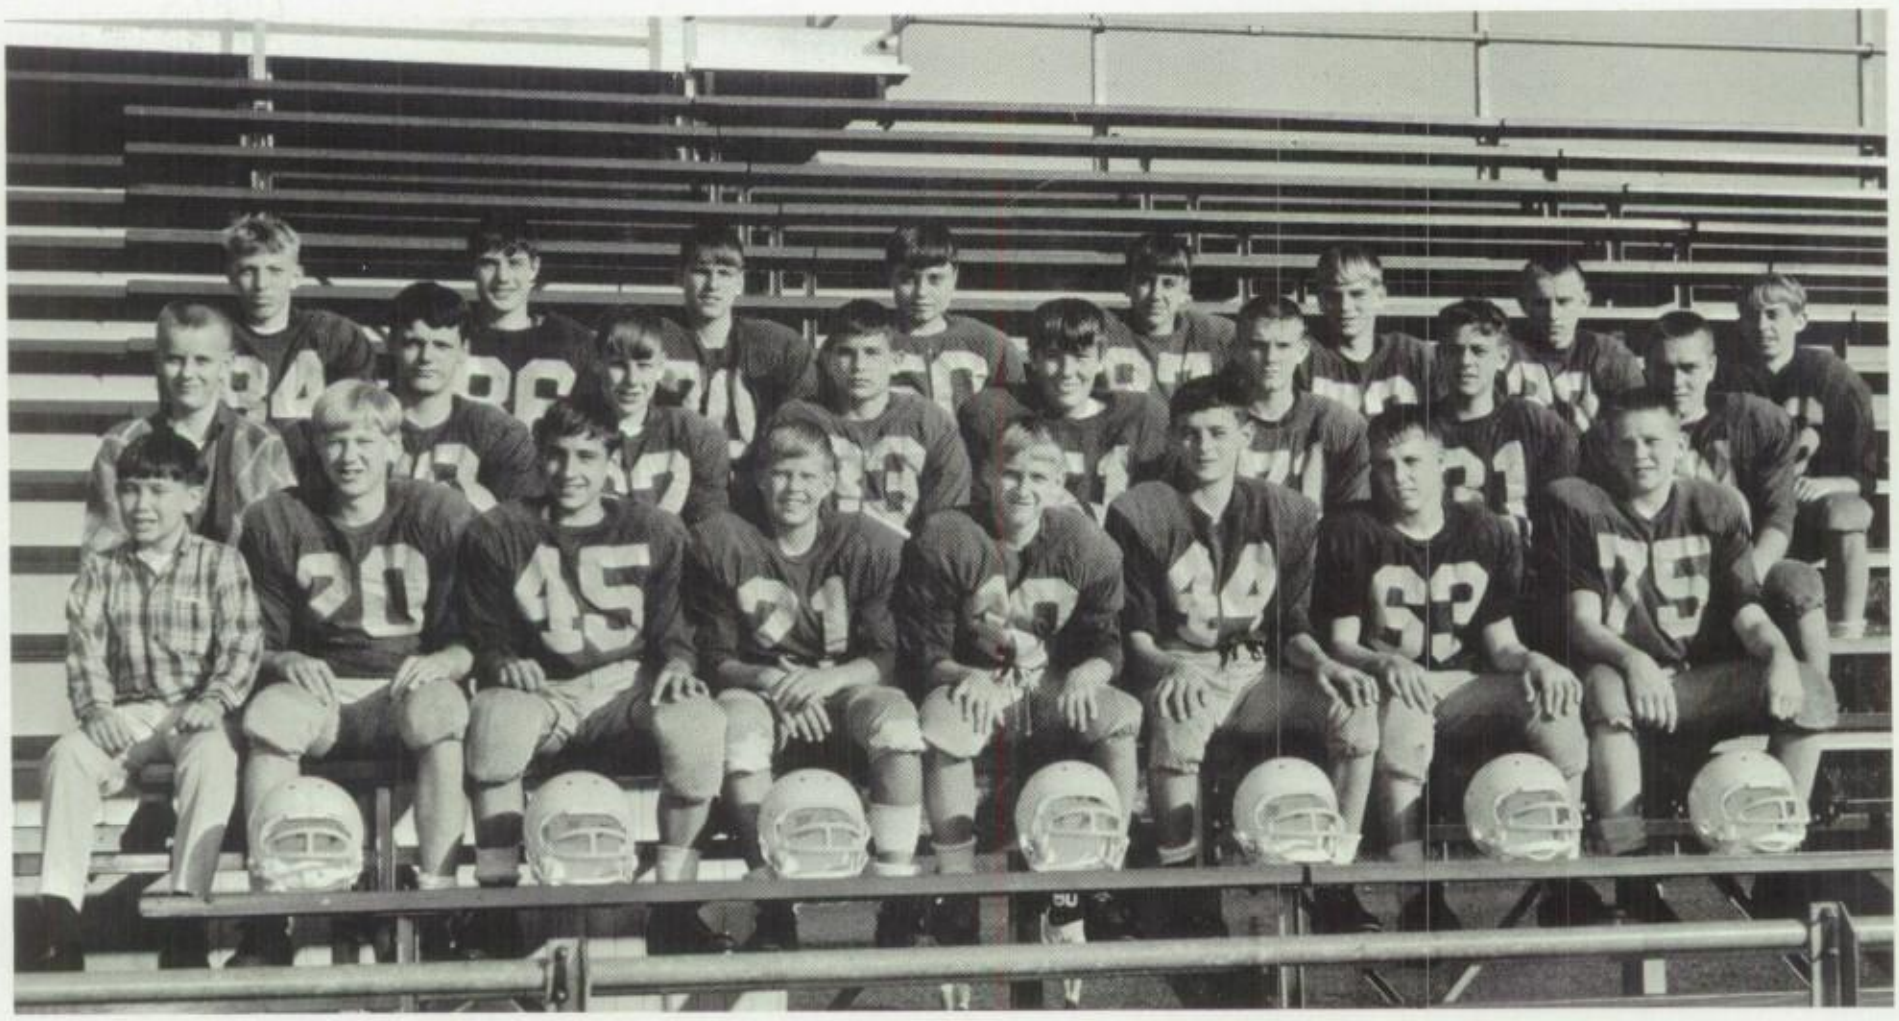
Zeeland	13	Spring Lake	6



"The won-lost record of our team was a poor indication of the spirit and desire we had throughout the season. Lacking speed, size, and experience the boys never gave up. This in itself is a tribute to a team that was badly undermanned," said Coach Robert Hoover. The Reserves ended the season with a 2-6-1 record.

This year's Freshman football team was not successful in wins but gained much experience and knowledge of fundamentals. They failed to score in all their games except for one touchdown against Hudsonville. The team is coached by Mr. John Blom.

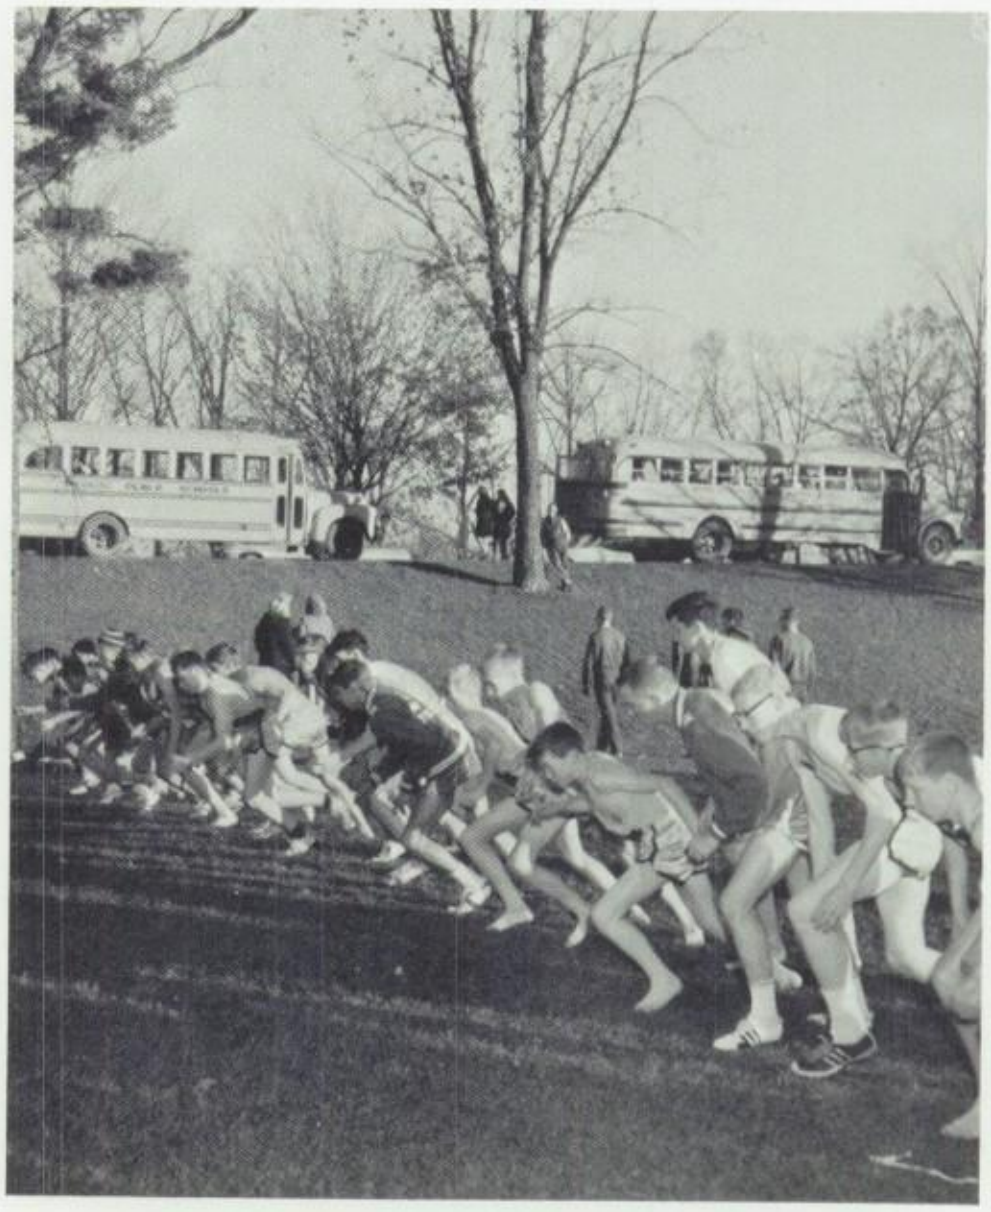


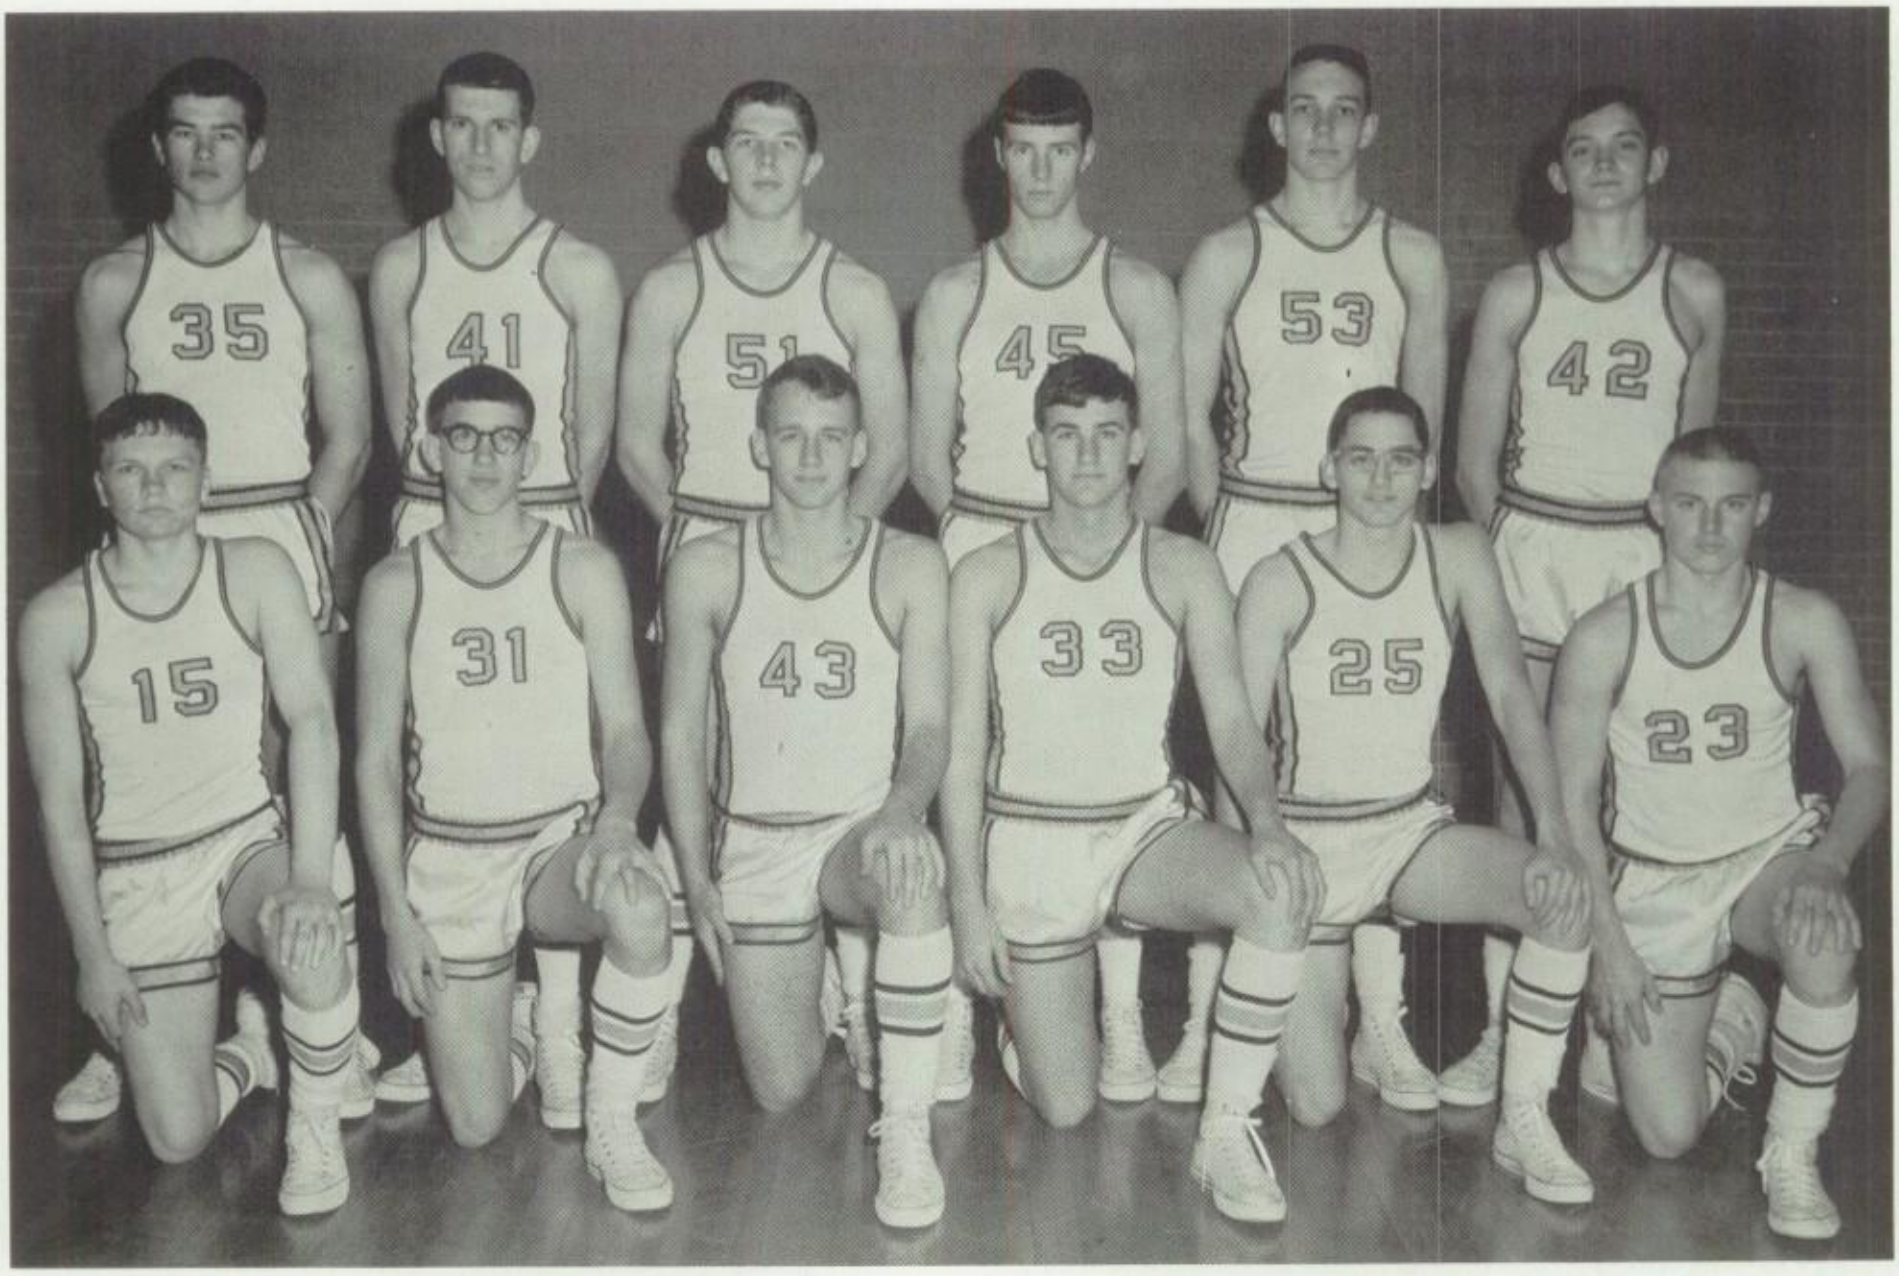
Don Boersen and Jim Walters were co-captains of the cross country team.

Harriers Spark Enthusiasm

Spirit and desire were the key words as the 1965-66 cross country season came to an end. In its first year as a member of the Ottawa-Kent Conference the Zeeland harriers proved themselves capable and promising.

Jim Walters was selected by his team as its most valuable member.





Chix Claw Christian

For the second straight year Zeeland, coached by Mr. Norm Schut, placed second in the district tournaments, but this was a special year—the Chix beat Holland Christian in the process! The day following that victory was no ordinary day, as most students will long remember.

The season started on a sour note when the Chix lost a close one to Byron Center. From there things didn't click 'till the Wyoming game. Then in their second and last victory, the Chix routed West Ottawa 85-59.

Dave Costello led Zeeland in the number of points scored with 325, which gave him an average of 18 points a game. The top rebounder was Dennis Boeve with 192, an average of 11.3 per game. Senior Mark Engle sank 75% of his free throws while Gary Van Dyke made 72%.

It was a season low in wins but high in spirit and enthusiasm.

Zeeland	59	Byron Center	61
Zeeland	63	Hudsonville	82
Zeeland	50	Holland Christian	62

Zeeland	68	Forest Hills	81
Zeeland	65	Wyoming	68
Zeeland	59	Coopersville	
Tournaments			
Zeeland	59	Holland Christian	54
Zeeland	51	Hudsonville	83

Coached by Mr. Jack Rumohr, the reserve basketball team won four games out of twelve this season. High point man, Tom Sneller, made 176 points for the Chix, which gave him an average of eleven points per game.

Though the freshman team won only one game this season, the boys had a great will to win. It was a season of "almost", a few baskets more would have made a tremendous difference in the team record.

Rynsburger Takes Second at State

With only a few returning varsity lettermen, the 1965-66 wrestling team suffered from a lack of experience. This lack of experience was soon to be overshadowed by a promising young team. After a slow start ZHS managed to bring home five victories in their first year in the Ottawa-Kent League competition. The matmen ended their season with two successful tournaments. Zeeland placed ninth out of twenty teams in the regional competition and fifteenth out of seventy-four teams at the state meet.

Though the team had much promise it was the returning lettermen who proved to be the driving force behind the team. Co-captains Bob Rynsburger and John Blauwkamp along with Tom Blauwkamp inspired the team and thrilled the fans in nearly every match. John, after an injury, continued a successful season that ended in a narrow defeat near the end of the regional bracket. "Tucker," placed third in the regionals and went on to take fifth place in the state. Bob, capping off his senior year with an undefeated season, won the regional championship at Wyoming and eventually became state runner up. Bob was also honored by his team as they named him Most Valuable Wrestler.

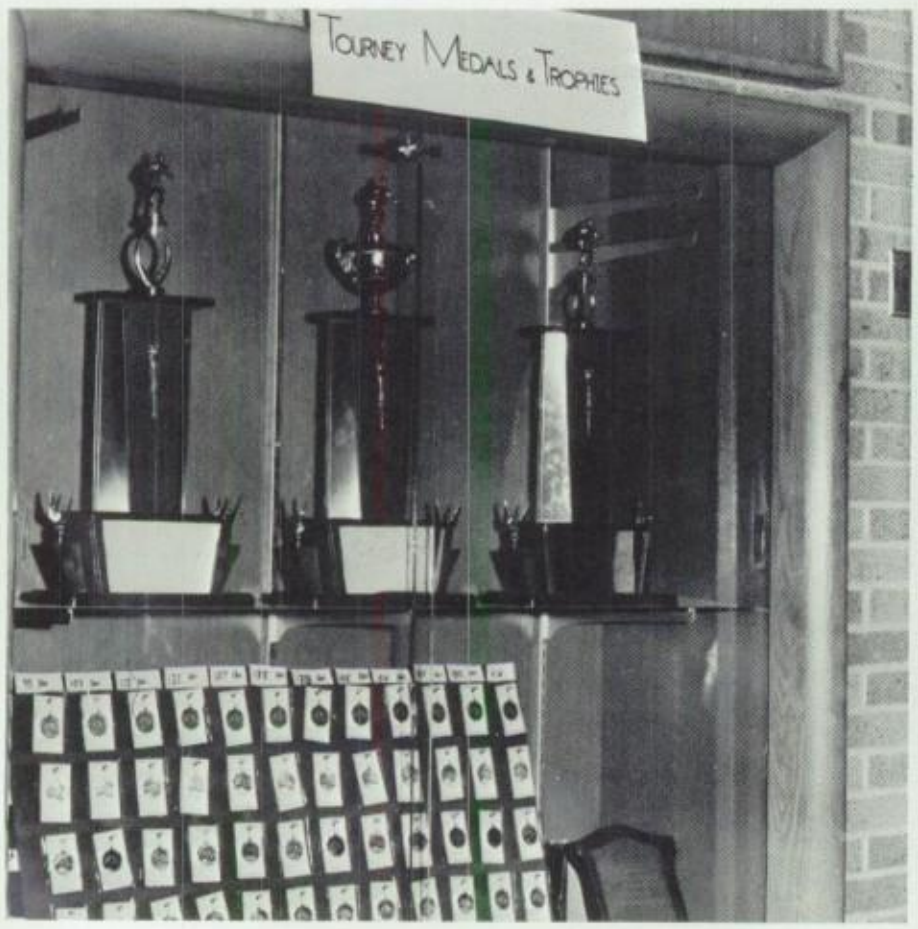
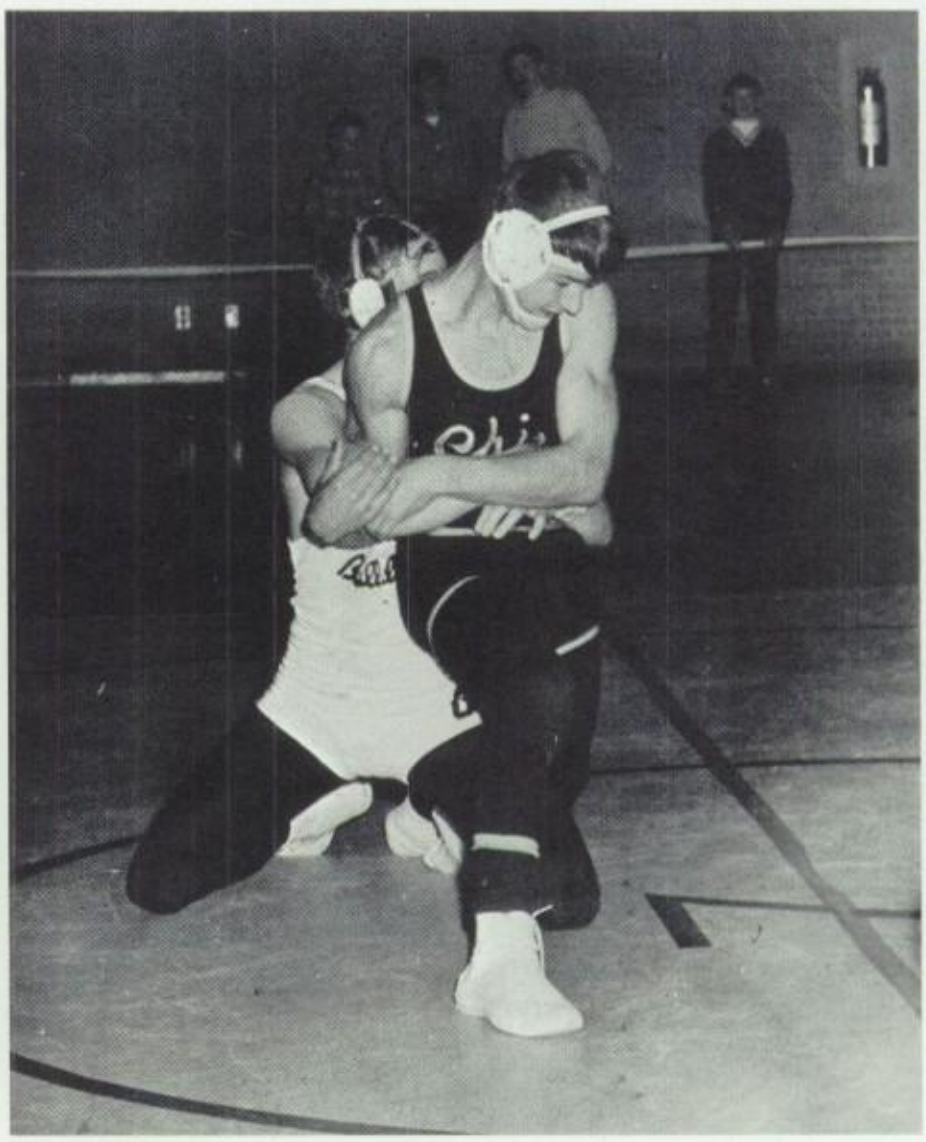
John Blaukamp won a fourth in the 138 pound class.

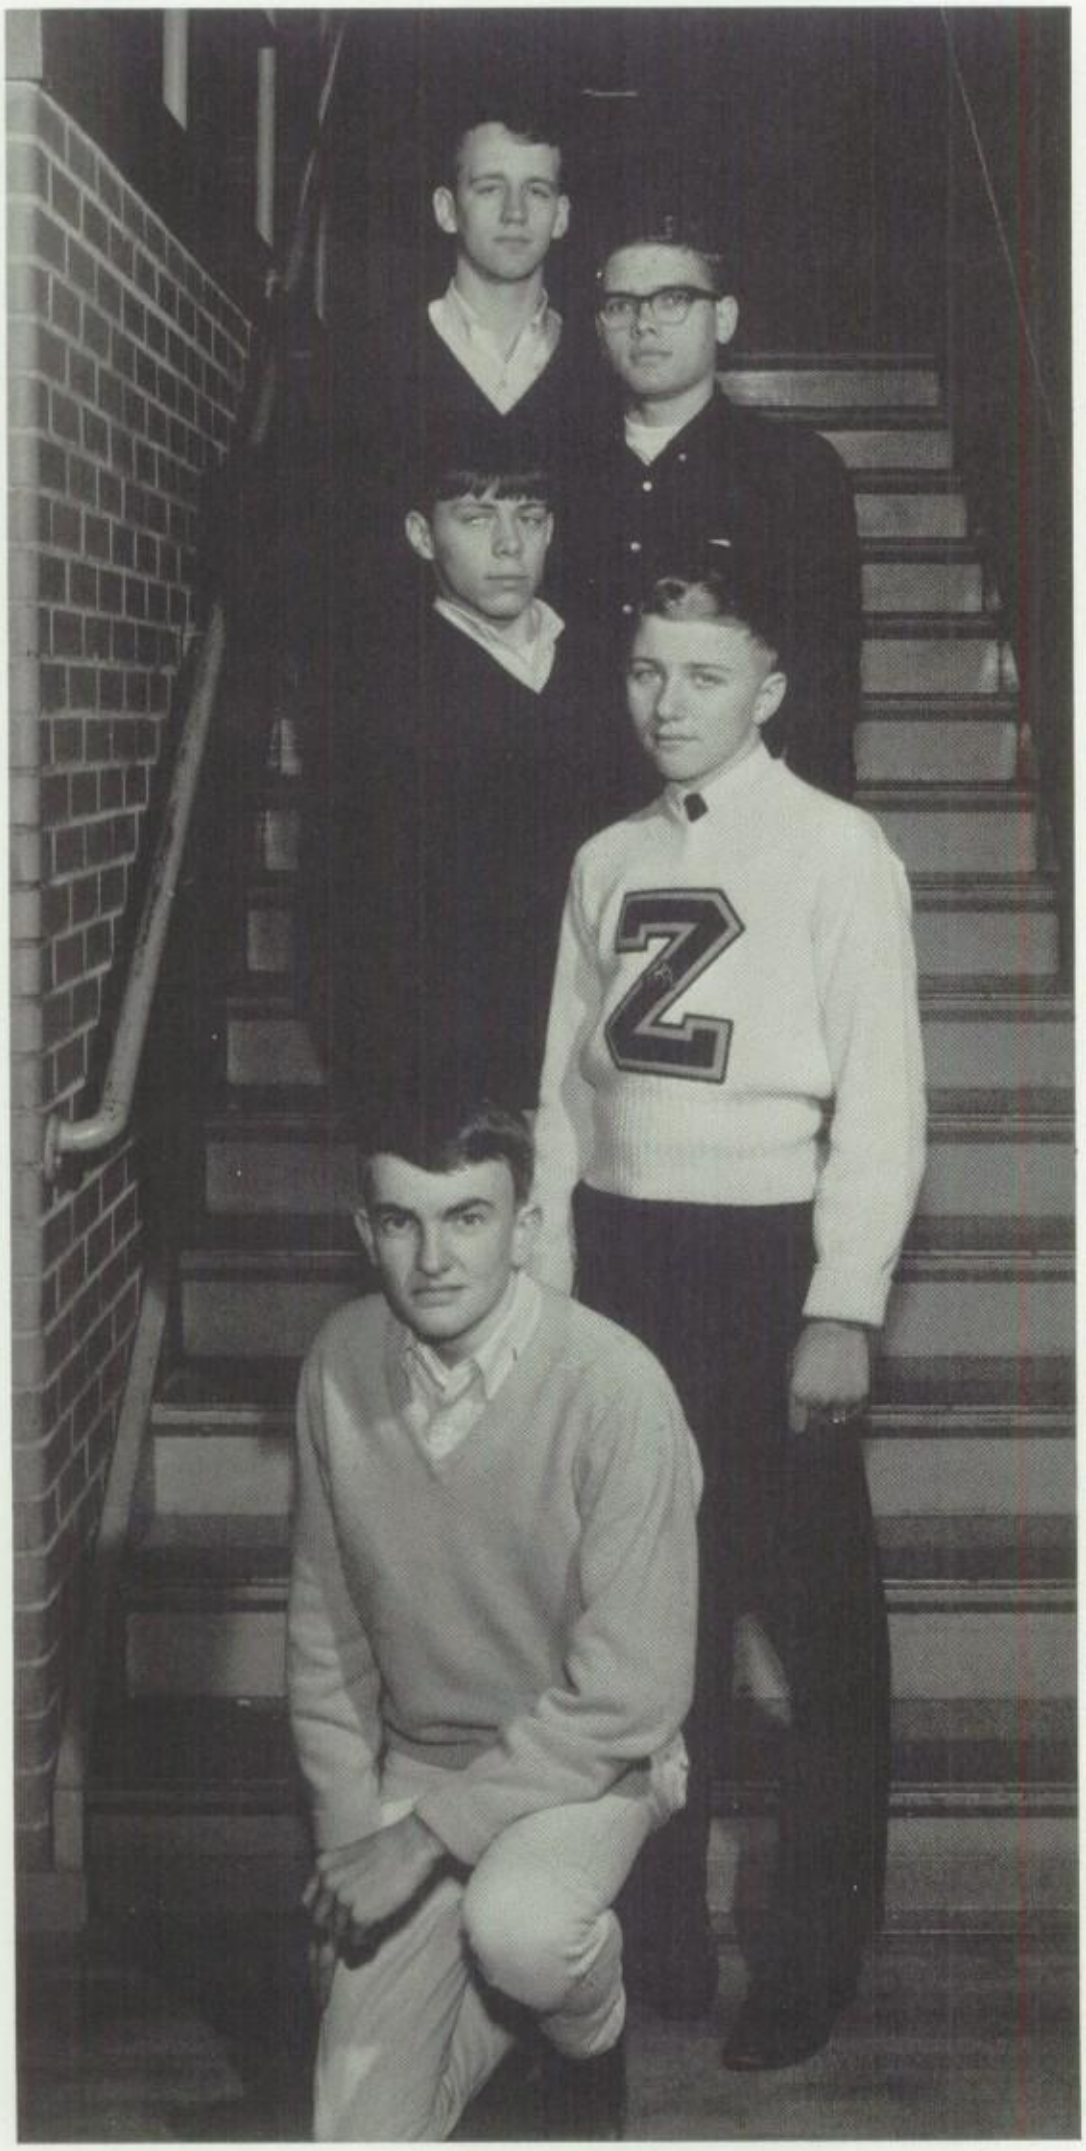
Fifth Wrestling Invitational

Zeeland High School hosted the fifth annual Holiday Invitational Wrestling Tournament December 17 and 18. For the second year Mona Shores' wrestler Paul Betts was honored with the Outstanding Wrestling Award. The Grandville High School team won the trophy for most team points accumulated. The team scores are as follows: Grandville—119, Mona Shores—94, Godwin—67, Otsego—57, Lee—43, Allegan—36, Orchard View—27, Zeeland—22, Muskegon Catholic Central —22, South—16, Union—11, West Ottawa—2. Coach Kerr and Mr. R. Larsen were co-chairmen of the tournament.

After a very close match, Bob Rynsburger placed second in the 145 pound class.





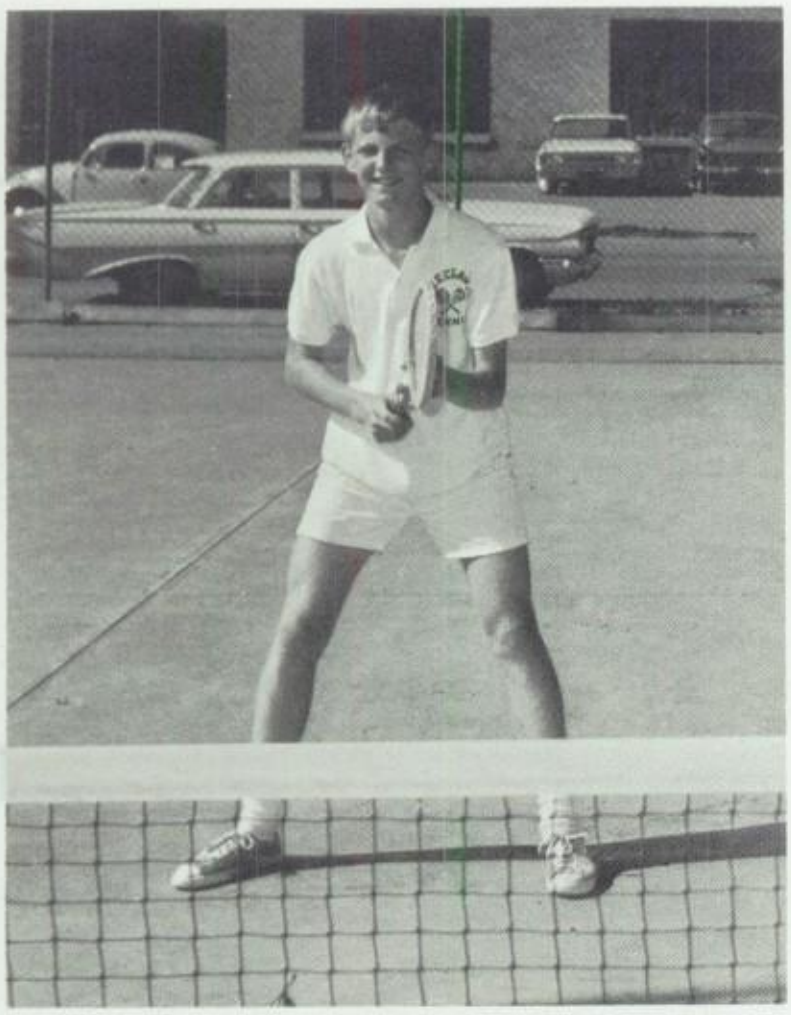


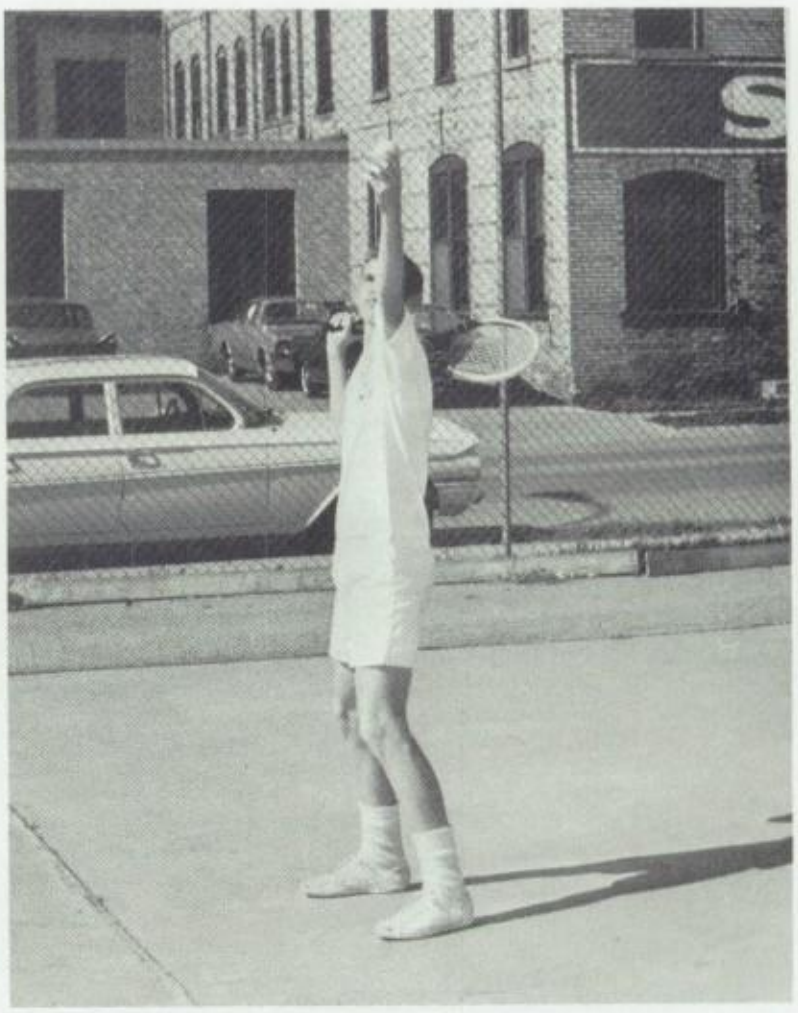
Golf

1966 Schedule

April	18	at Kenowa Hills
April	21	Kentwood
April	25	at Rogers
April	28	West Ottawa
May	2	at Byron Center
May	5	Hudsonville
May	9	Wyoming
May	16	at Forest Hills
May	19	Northview
May	23	at Holland Christian
May	26	Conference
May	13	Regionals

In the '65 golf season, Zeeland held a 10-3 record and placed fifth in the regionals. Tom De Vries, was chosen captain of the 1966 season.





As freshmen, Dale Laackman and Craig Schrotenboer were members of the tennis team which finished the '65 season with a 9-8 record. The '66 captain is Vern York.

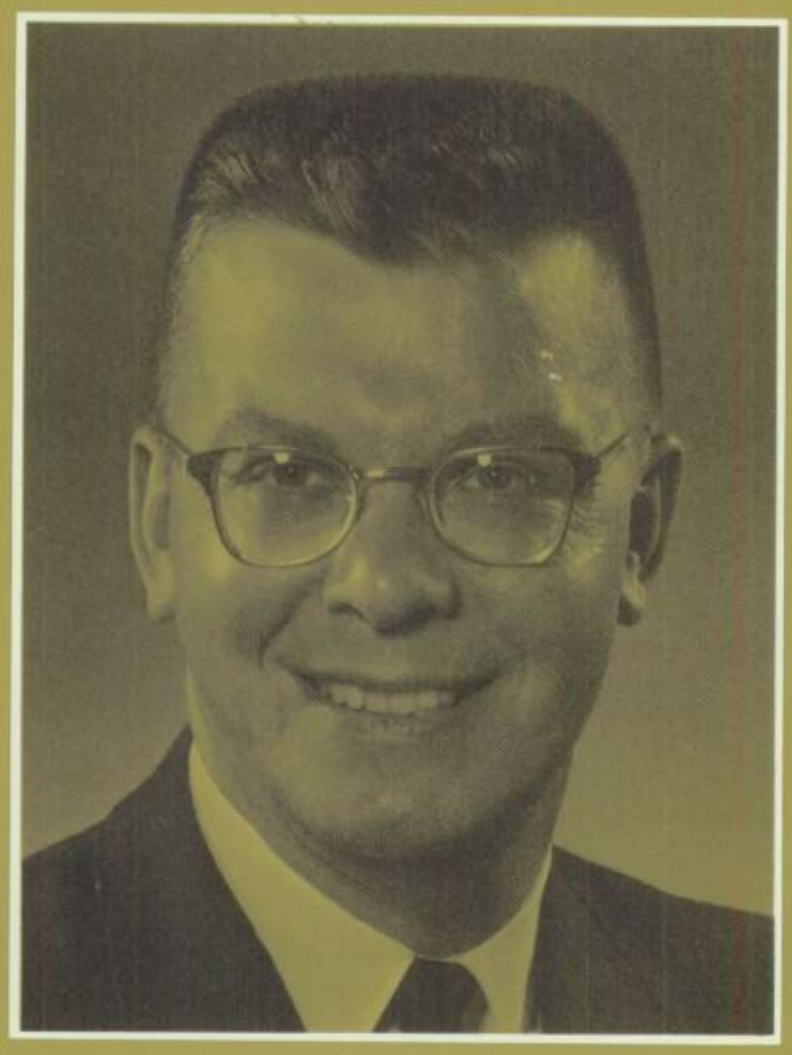
Junior, Keith Klingenberg



Dr. Eugene Van Tamelen

Graduated From Zeeland High School 1943

Dr. Eugene van Tamelen graduated from Hope College, Holland, Michigan, in 1947 with an A.B. degree. He earned his M.S. and Ph.D. degrees from Harvard University by 1950. From there he became an instructor at the University of Wisconsin for two years, an assistant professor for four years, an associate professor for three years, and then a professor through 1962. In 1961 he was appointed Homer Adkins Professor which is an honor accorded by the University of Wisconsin to a person who has done nationally or internationally acclaimed work in the field of chemistry. At the present time Dr. van Tamelen is a professor of graduate research and industrial consultant and a lecturer in organic chemistry at Stanford University, Stanford, California.

A member of the Chemical Society, London, and the American Chemical Society, Dr. van Tamelen has written or co-written over one hundred articles the majority of which have appeared in *The Journal of The American Chemical Society*.

Included among his special lectures are: National Organic Symposium of the American Chemical Society, 1957, 1963; Northwestern University, Frontiers of Chemistry Series, 1959; National Medicinal Chemistry Symposium of the American Chemical Society, 1960; Shionogi Commemoration Lecturer, 1961; University of Alberta, Sandin Lecturer, 1963; and American-Swiss Foundation Lecturer, 1964.

In 1957 Dr. van Tamelen was named a G. Haight Traveling Fellow, in 1960 he was given the Petroleum Research Fund and Award, in 1961 the American Chemical Society Award in Pure Chemistry, and in 1965 he was named Guggeheim Fellow.

In 1965 he also received the Leo Hendrik Baekeland Award, presented bienially to one person under 40 by the North Jersey Section, Inc. of the American Chemical Society for "outstanding achievement in creative chemistry." Dr. van Tamelen was the recipient of a gold medal and a thousand dollar grant for his contribution to the chemistry of complex natural products and related substances.

UNDERCLASSMEN

In Memory of Chris Becker and Terry Taylor

Elegy Written in a Country Churchyard

Here rests his head upon the lap of earth
A youth, to fortune and to fame unknown;
Fair science frowned not on his humble birth
And melancholy marked him for her own.

Large was his bounty, and his soul sincere;
Heaven did a recompense as largely send:
He gave to misery all he had, a tear;
He gained from heaven ('twas all he wished) a friend.

No farther seek his merits to disclose,
Or draw his frailties from their dread abode
(There they alike in trembling hope repose),
The bosom of his Father and his God.

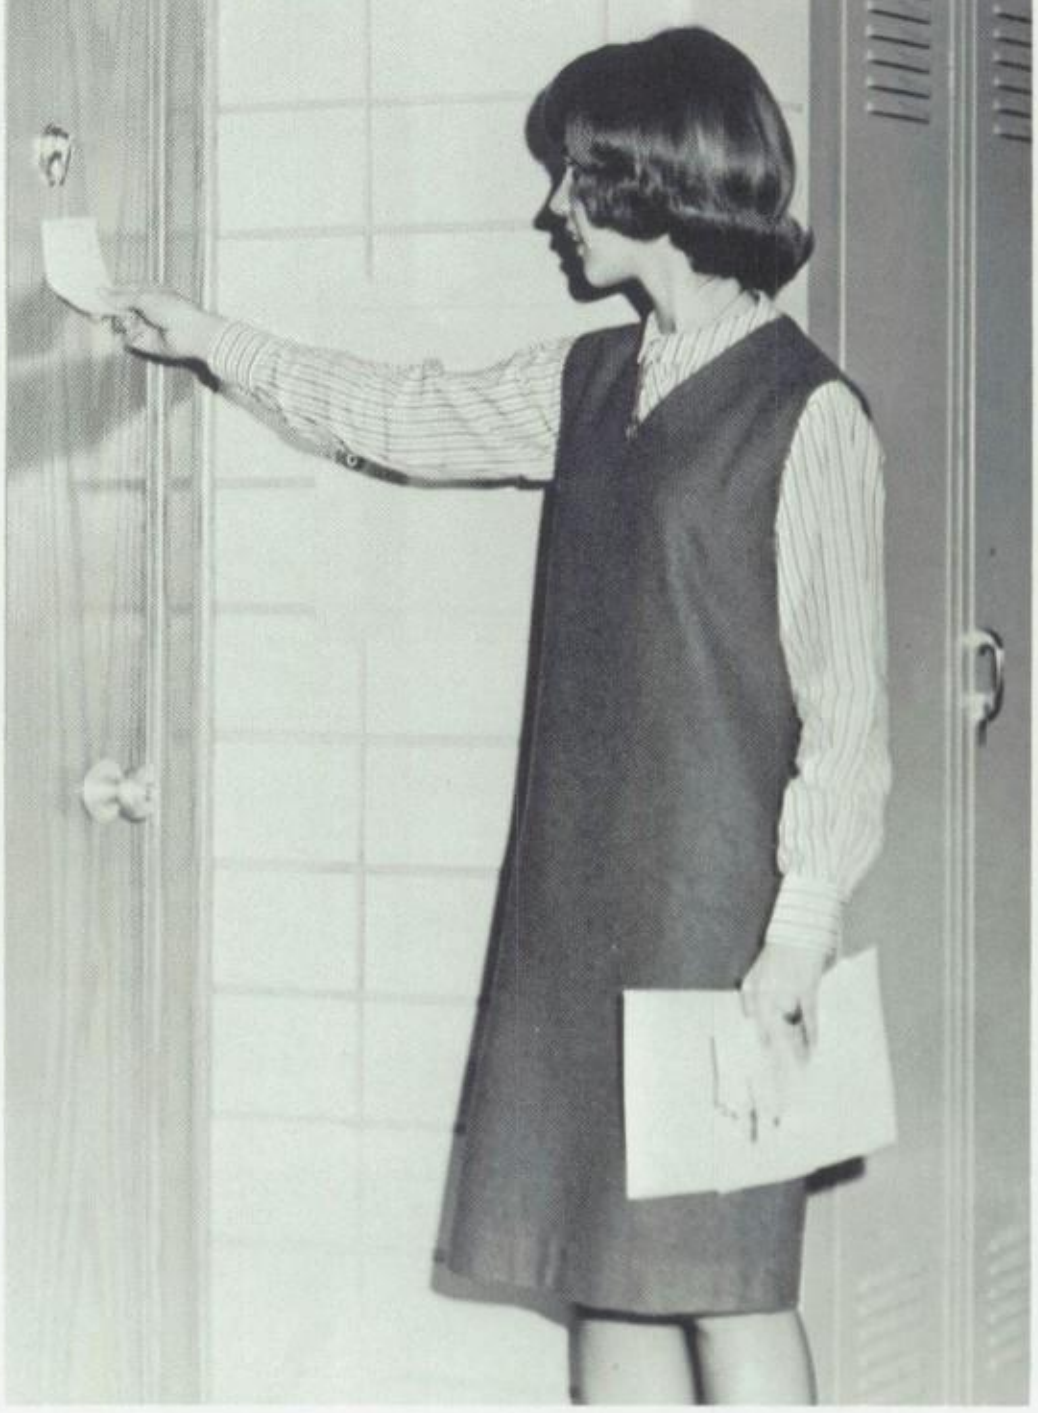
Capable Hands Direct Administration of ZHS

The offices of Zeeland High are managed by experienced personnel. In the main office are Iola Padding, secretary to the superintendent, and Judy De Roo, payroll clerk. In the office of the principal, Mr. Laverne Lampen, work Mrs. Esther Selles, his secretary, and her assistant, Mrs. Marian Voorhorst. Mr. Marcellus De Jonge is in charge of student attendance and transportation. Several students are given an opportunity to gain practical experience by helping in the school office.

Through the efforts of these few people, Zeeland High School is run smoothly and efficiently.



Hot lunches are served every school day from 11:15 to 12:45, but this represents only a small part of the actual time also spent in the preparation and clean-up. The women whose responsibility this is, Zeeland High's culinary artists, are Ruth Blaukamp, Angie Wiersma, Fannie Van Orman, Angie Bolman, and they are headed by Florence Kuipers.

The custodians are among the real unsung heroes of our school. They arrive on the job early in the morning and stay late at night cleaning, repairing, and performing the many other services that keep our school running smoothly. Our janitors pictured below, are Juke Bartels, head custodian, John Wedeveen, Jim Scheele, and George Nienhuis.
